If you're looking for ways to add excitement to your Sunday morning services while continuing to follow the lectionary texts, look no further. This remarkably inventive volume includes all the core liturgical elements of worship and introduces your congregation to innovative ventures into the fine arts yet everything revolves around each week's assigned lectionary passages. Whether you choose to use the stately calls to worship, litanies and prayers or try your hand and those of your congregants at dance, art or drama, all can be done to bring glory to God and a fresh sense of his blessing to your services. There's also a wealth of musical suggestions reinforcing the main themes and ideas of the prayers, including hymns chosen from a wide variety of denominational hymnals, psalm settings and appropriate anthems for the choir. The *Lectionary Worship Workbook* is a comprehensive library of creative material that will enable you and your congregation to encounter the living God and keep your worship services fresh, passionate and stimulating.

When many Christian congregations are asking, "How can we draw new members into our midst?" the authors reframe the question: "How can congregations make new disciples and deepen the faith of long-time Christians?" Rediscovery of the early church catechumenate provides a means to form new disciples in today's culture. Inspiring case studies of four congregations emphasize the contextual flexibility of adult faith formation. Interviews with catechumenal leaders and participants in adult faith formation reveal how a catechumenate that is central to

congregational life can energize and orient the people of God toward the mission of God Opening windows into congregational life especially at worship those who had journeyed through the adult faith formation process describe their experiences and the profound changes that took place in them Adult faith formation is a journey not a program of belonging believing and behaving that draws people into Christ's orbit for life As one participant said For the first time I understood what it meant to be a Christian Through the adult catechumenate she heard the voice of Christ calling her to new life and a rich baptismal identity **Lutheran Woman Today** ,1994 *Wisconsin Lutheran Quarterly* ,1994 *Introduction to Christian Liturgy* Frank C.
