

# Lyndon B Johnson Presidents

**Megan M. Gunderson**

## **Lyndon B Johnson Presidents:**

*The Presidency of Lyndon B. Johnson* Vaughn Davis Bornet, 1983 Presents an assessment of the Johnson administration including the Vietnam issue    The Johnson Presidency Kenneth W. Thompson, 1986    *Lyndon B. Johnson* Robert Dallek, 2004-01-08 Robert Dallek's brilliant two volume biography of Lyndon Johnson has received an avalanche of praise Michael Beschloss in The Los Angeles Times said that it succeeds brilliantly The New York Times called it rock solid and The Washington Post hailed it as invaluable And Sidney Blumenthal in The Boston Globe wrote that it was dense with astonishing incidents Now Dallek has condensed his two volume masterpiece into what is surely the finest one volume biography of Johnson available Based on years of research in over 450 manuscript collections and oral histories as well as numerous personal interviews this biography follows Johnson the human dynamo from the Texas hill country to the White House We see LBJ in the House and the Senate whirl his way through sixteen and eighteen hour days talking urging demanding reaching for influence and power in an uncommonly successful congressional career Then in the White House we see Johnson as the visionary leader who worked his will on Congress like no president before or since enacting a range of crucial legislation from Medicare and environmental protection to the most significant advances in civil rights for black Americans ever achieved And we see the depth of Johnson's private anguish as he became increasingly ensnared in Vietnam In these pages Johnson emerges as a man of towering intensity and anguished insecurity of grandiose ambition and grave self doubt a man who was brilliant crude intimidating compassionate overbearing driven A tornado in pants Gracefully written and delicately balanced this    **Public Papers of the Presidents of the United States: Lyndon B. Johnson, 1968-1969** Johnson, Lyndon B., 1970-01-01 Public Papers of the Presidents of the United States    **Lyndon B. Johnson** Randy Schultz, 2002 Explores the life of our nation's thirty sixth president whose administration became known for his Great Society politics and its involvement in the Vietnam War    **Lyndon B. Johnson** Debbie Levy, 2002-07-01 Chronicles the life of the thirty sixth president from his Texas roots to his impact on the War on Poverty the civil rights movement and the programs of the Great Society    **Lyndon B. Johnson** Megan M. Gunderson, 2016-08-15 This biography introduces readers to the life of Lyndon B Johnson including his military service early political career and key events from Johnson's administration including the Civil Rights Act the Vietnam War and the Voting Rights Act Information about his childhood family personal life and retirement years is included A timeline fast facts and sidebars provide additional information Aligned to Common Core Standards and correlated to state standards Big Buddy Books is an imprint of Abdo Publishing a division of ABDO    *Lyndon B. Johnson* Charles Peters, 2010-06-08 The towering figure who sought to transform America into a Great Society but whose ambitions and presidency collapsed in the tragedy of the Vietnam War Few figures in American history are as compelling and complex as Lyndon Baines Johnson who established himself as the master of the U S Senate in the 1950s and succeeded John F Kennedy in the White House after Kennedy's assassination on November 22 1963 Charles Peters a keen observer of

Washington politics for more than five decades tells the story of Johnson's presidency as the tale of an immensely talented politician driven by ambition and desire. As part of the Kennedy-Johnson administration from 1961 to 1968, Peters knew key players including Johnson's aides, giving him inside knowledge of the legislative wizardry that led to historic triumphs like the Voting Rights Act and the personal insecurities that led to the tragedy of Vietnam. Peters's experiences have given him unique insight into the poisonous rivalry between Johnson and Robert F. Kennedy, showing how their misunderstanding of each other exacerbated Johnson's self-doubt and led him into the morass of Vietnam, which crippled his presidency and finally drove this larger-than-life man from the office that was his lifelong ambition.

**Public Papers of the Presidents of the United States: Lyndon B. Johnson, 1965** Johnson, Lyndon B., 1966-01-01 Public Papers of the Presidents of the United States: Lyndon B. Johnson Estados Unidos. Presidente (1963-1969: Johnson), 1965

**Chief of Staff** W. Marvin Watson, Sherwin Markman, 2014-03-11 Chief of Staff to the President is perhaps the most important political appointment in our nation's government. Aside from handling the myriad of day-to-day details that keep the White House running, the Chief of Staff is often the President's closest confidante and gatekeeper; anyone who wants access to the Oval Office goes through the Chief of Staff. President Lyndon Johnson bestrode the American political scene as a colossus of energy, ambition, and purpose. He attempted to achieve no less than the total eradication of poverty and expended every last ounce of his political capital with Congress to pass Civil Rights legislation. And throughout, he was as he knew better than anyone else: being destroyed by a war he inherited, detested, and could do nothing to stop. With W. Marvin Watson, his Chief of Staff and most intimate adviser, finally revealing what he knows about this extraordinary figure, readers are taken firsthand inside the presidential life and times of Lyndon Johnson.

**Lyndon B. Johnson** Susan Dudley Gold, 2009 Lyndon B. Johnson was sworn in as the nation's thirty-sixth president on the heels of the assassination of President John F. Kennedy. Lyndon B. Johnson follows the life and times of a man with great fortitude and political strength whose greatest and lasting achievement as president was building a Great Society for all Americans. Book jacket Indomitable Will Mark Updegrove, 2012-03-13 Nearly fifty years after being sworn in as president of the United States in the wake of John F. Kennedy's assassination, Lyndon Baines Johnson remains a largely misunderstood figure. His force of personality, mastery of power, and the political process, and boundless appetite for social reform made him one of the towering figures of his time. But he was one of the most protean and paradoxical of presidents as well. Because of his flawed nature and inherent contradictions, some claimed there were as many LBJs as there were people who knew him. Intent on fulfilling the promise of America, Johnson launched a revolution in civil rights, federal aid to education and health care for the elderly and indigent, and expanded immigration and environmental protection. A flurry of landmark laws he would sign: an unparalleled 207 during his five years in office, including the Civil Rights Act of 1964, Voting Rights Act of 1965, Elementary and Secondary Education Act, Head Start, and Medicare are testaments to the triumph of his will. His War on Poverty alone brought the U.S. poverty rate

down from 20 percent to 12 percent the biggest one time drop in American history As president he was known for getting things done At the same time Johnson s presidency and the fulfillment of its own promise was blighted by his escalation of an ill fated war in Vietnam that tore at the fabric of America and saw the loss of 36 000 U S troops by the end of his term Presidential historian Mark K Updegrave offers an intimate portrait of the endlessly fascinating LBJ his extraordinarily eventful presidency and the turbulent times in which he served We see Johnson in his many guises and dimensions the virtuoso deal maker using every inch of his six foot three inch frame to intimidate his subjects the relentless reformer willing to lose southern Democrats from his party for a generation in his pursuit of civil rights for all Americans and the embattled commander in chief agonizing over the fate of his boys in Vietnam including his two sons in law yet steadfast in his determination to thwart Communist aggression through war or an honorable peace Through original interviews and personal accounts from White House aides and Cabinet members political allies and foes and friends and family from Robert McNamara to Barry Goldwater Lady Bird Johnson to Jacqueline Kennedy as well as through Johnson s own candid reflections and historic White House telephone conversations Indomitable Will reveals LBJ as never before For it is through firsthand narrative more than anything writes Updegrave that Lyndon Johnson who teemed with vitality in his sixty four years and remains enigmatic nearly four decades after his passing comes to life

Indomitable Will (Enhanced Edition) Mark Updegrave, 2012-04-03 With more than a hundred photos videos recorded phone conversations letters and speeches this enhanced eBook edition of Indomitable Will brings to life the presidency of Lyndon B Johnson like never before Nearly fifty years after being sworn in as president of the United States in the wake of John F Kennedy s assassination Lyndon Baines Johnson remains a largely misunderstood figure His force of personality mastery of power and the political process and boundless appetite for social reform made him one of the towering figures of his time But he was one of the most protean and paradoxical of presidents as well Because of his flawed nature and inherent contradictions some claimed there were as many LBJs as there were people who knew him Intent on fulfilling the promise of America Johnson launched a revolution in civil rights federal aid to education and health care for the elderly and indigent and expanded immigration and environmental protection A flurry of landmark laws he would sign an unparalleled 207 during his five years in office including the Civil Rights Act of 1964 Voting Rights Act of 1965 Elementary and Secondary Education Act Head Start and Medicare are testaments to the triumph of his will His War on Poverty alone brought the U S poverty rate down from 20 percent to 12 percent the biggest one time drop in American history As president he was known for getting things done At the same time Johnson s presidency and the fulfillment of its own promise was blighted by his escalation of an ill fated war in Vietnam that tore at the fabric of America and saw the loss of 36 000 U S troops by the end of his term Presidential historian Mark K Updegrave offers an intimate portrait of the endlessly fascinating LBJ his extraordinarily eventful presidency and the turbulent times in which he served We see Johnson in his many guises and dimensions the virtuoso deal maker using every

inch of his six foot three inch frame to intimidate his subjects the relentless reformer willing to lose southern Democrats from his party for a generation in his pursuit of civil rights for all Americans and the embattled commander in chief agonizing over the fate of his boys in Vietnam including his two sons in law yet steadfast in his determination to thwart Communist aggression through war or an honorable peace Through original interviews and personal accounts from White House aides and Cabinet members political allies and foes and friends and family from Robert McNamara to Barry Goldwater Lady Bird Johnson to Jacqueline Kennedy as well as through Johnson's own candid reflections and historic White House telephone conversations Indomitable Will reveals LBJ as never before For it is through firsthand narrative more than anything writes Updegrave that Lyndon Johnson who teemed with vitality in his sixty four years and remains enigmatic nearly four decades after his passing comes to life

*The Thirty-first of March* Horace Busby, 2023-04-11 An intimate retelling of Lyndon B Johnson's politics and presidency by one of his closest advisors Horace Busby was one of LBJ's most trusted advisors their close working and personal relationship spanned twenty years In *The Thirty First of March* he offers an indelible portrait of a president and a presidency at a time of crisis From the aftereffects of the Kennedy assassination when Busby was asked by the newly sworn in president to sit by his bedside during his first troubled nights in office to the concerns that defined the Great Society civil rights the economy social legislation housing and the Vietnam War Busby not only articulated and refined Johnson's political thinking he also helped shape the most ambitious far reaching legislative agenda since FDR's New Deal Here is Johnson the politician Johnson the schemer Johnson who advised against JFK's choice of an open limousine that fateful day in Dallas and Johnson the father sickened by the deaths of young men fighting and dying in Vietnam on his orders *The Thirty first of March* is a rare glimpse into the inner sanctum of Johnson's presidency as seen through the eyes of one of the people who understood him best

**Public Papers of the Presidents of the United States: Lyndon B. Johnson, 1966** Johnson, Lyndon B., 1967-01-01 Public Papers of the Presidents of the United States Lyndon Baines Johnson Thomas Langston, 2002-08 Now that much of the political and emotional heat that Johnson 1908-73 generated during his political career has cooled Langston political science Tulane U assesses his leadership as president of the US and what it has meant to the country and the world After a biographical sketch he considers campaigns and elections administration policies crises and flashpoints institutional relations and retirement Each chapter appends several relevant documents Annotation copyrighted by Book News Inc Portland OR

*Lyndon B. Johnson* Jim Hargrove, 1987 Surveys the life of the Texas politician who became America's thirty sixth president and faced great public controversy during the war in Vietnam

*Lyndon Baines Johnson* Melissa Maupin, 2008-01-01 Presents the life career and accomplishments of the thirty sixth president of the United States Lyndon B. Johnson Jean Kinney Williams, 2005 The Encyclopedia of Presidents offers authoritative biographies of each president since 1789 when George Washington was first sworn in The stories of these key figures and historic events paint a full and lively picture of our nation Each biography includes color illustrations a timeline boxed

features on events and people of special interest and lively text introducing the featured president and the times in which he lived Texan Lyndon B Johnson was the most powerful man in Congress in 1960 when John F Kennedy chose him to run for vice president Johnson was admired and feared for his effective but overbearing use of power In November 1963 he became president when President Kennedy was assassinated and he was elected to a full term in 1964 A champion of civil rights for African Americans Johnson passed the Civil Rights Act of 1964 and the Voting Rights Act of 1965 He originated Head Start and other programs to improve educational and economic opportunities for the poor His successes were overshadowed by the growing war in Vietnam He increased the number of U S troops there and ordered heavy bombing of enemy territories As resistance to the war grew Johnson s popularity declined He announced in March 1968 that he would not run for another term In January 1969 he left office replaced by Republican Richard Nixon
