Ma Murray And The Newspapering Murrays:

Ma Murray and the Newspapering Murrays Georgina Keddell, 1984 Margaret Murray was a colourful independent life loving woman who made journalism her calling She pulled no punches giving her readers the news exactly as she saw it and winning a reputation as an outspoken honest entertaining writer Margaret and her husband George met in boomtown Vancouver during the First World War While raising a family they operated a succession of papers in British Columbia as a result their lives are closely intertwined with six decades of history on Canada s northern and western frontiers Through it all the wonderful spirit of Margaret Murray shines through a pioneering newspaperwoman who continued to cause trouble for politicians and powers that be well into her eighties Ma Murray and the Newspapering Murrays is the fascinating story of an unforgettable Canadian media woman and of the stories she broke Ma Murray Stan Sauerwein, 2003 The story of Canada s crusty Queen of Publishing **The Newspapering Murrays** Georgina Keddell, 1967 **Fascinating Canada** John Robert Colombo, 2011-05-27 Few people have read as widely in the field of Canadiana as has John Robert Colombo The curiosity of this Toronto writer editor and anthologist knows few if any bounds when it comes to the lore literature history culture and character of Canada He has an inquiring mind and he seems able to find national and even international twists to subjects of interest or importance Fascinating Canada his latest book is the product of over half a century of research reading writing and thinking Some years ago the author produced a trilogy of question and answer books 1 000 Questions about Canada 999 Questions about Canada 1 000 Questions about Canada The first two were published by Doubleday Canada the third one in 2001 by Dundurn Press The same format is adapted to the material in the present book but this time the majority of the questions are short whereas a good many of the answers are quite long discussions of the subjects at hand concise questions followed by considered answers Here is a book about the Canadian past present and future The information in Fascinating Canada is organized under four headings People Places Things Ideas and there is a detailed Index for ready reference This book may serve as a work of popular reference but it has been written to stimulate inquiry and spark the sense of surprise in the minds of readers who know something about this amazing country but perhaps not as much as the author Open this book and begin to read and match wits with author and researcher John Robert Colombo British Columbia Bizarre Rosemary Neering, 2011 British Columbia Bizarre is a fascinating and eclectic mix of tales snippets historical facts fancies and misconceptions teased from the history of British Columbia No one should read this book to obtain a balanced view of the province s history It ignores the important people and trends that contributed to BC s story and instead favours the often strange sometimes wonderful and frequently insignificant events and people that make this province a storyteller s dream Amuse yourself with tales of the brothels bowdy houses and bagnios that existed in every town the wild camels of Vancouver Island communists well sort of duels to the death and goose races And if that isn t enough fill your boots with a potpourri of editorial feuds gamblers and professional hangmen lepers and lynching and let s not forget angry moose Sure to delight and

surprise British Columbia Bizarreis a wild safari through provincial history that ill confuse your assumptions and tickle your taste for the unusual Women Who Made the News Marjory Lang,1999-08-26 The first newspaperwomen were employed to attract female subscribers and advertising revenue Once hired they found themselves confined to a narrow range of specialties that catered to conventionally defined women s interests home making fashion and high society and most were patronized by their male peers But these women journalists did more than simply deliver female consumers to advertisers Some of them eventually made names for themselves as commercial reporters or political and even war correspondents By making news about women for women they created a distinctly female culture within the newspaper chronicling the increasing participation of women in public affairs Women Who Made the News is the story of the women who helped raise Canadian women s collective awareness of each other and of their achievements in the period leading up to World War II
