**Consent Culture and Teen Films** Michele Meek,2023-04-04 Teen films of the 1980s were notorious for treating consent as irrelevant with scenes of boys spying in girls locker rooms and tricking girls into sex While contemporary movies now routinely prioritize consent ensure date rape is no longer a joke and celebrate girls desires sexual consent remains a problematic and often elusive ideal in teen films In *Consent Culture and Teen Films* Michele Meek traces the history of adolescent sexuality in US cinema and examines how several films from the 2000s including *Blockers* *To All the Boys I ve Loved Before* *The Kissing Booth* and *Alex Strangelove* take consent into account Yet at the same time Meek reveals that teen films expose how affirmative consent yes means yes fails to protect youth from unwanted and unpleasant sexual encounters By highlighting ambiguous sexual interactions in teen films such as girls failure to obtain consent from boys queer teens subjected to conversion therapy camps and youth manipulated into sexual relationships with

adults Meek unravels some of consent's intricacies rather than relying on oversimplification By exposing affirmative consent in teen films as gendered heteronormative and cis centered Consent Culture and Teen Films suggests we must continue building a more inclusive consent framework that normalizes youth sexual desire and agency with all its complexities and ambivalences

**Exploring Transsexualism** Colette Chiland, 2018-04-24 Is psychotherapeutic treatment powerless in the case of transsexualism This intriguing volume by a French psychoanalyst with extensive experience of working with transsexuals is a useful addition to the debate on transsexualism and the definitions of sex and gender Transsexuals feel that the opposite sex to their biological sex is their true identity their true body and self The idea of hormonal and surgical sex reassignment appeals to them it would biologically put right what they already know to be right and true in their minds The author discusses the problems of reassigning one's sex and argues that surgery alone cannot fix the situation

**Perfect Communities** Edward Berenson, 2025-04-22 The rise and fall of William J Levitt the man who made the suburban house a mass commodity Two

material artifacts defined the middle class American lifestyle in the mid twentieth century the automobile which brought gas stations highways commercial strips and sprawl and the single family suburban home the repository of many families long term wealth While the man who did the most to make the automobile a mass commodity Henry Ford is well known few know the story of the man who did the same for the suburban house Edward Berenson describes the remarkable career of William Levitt who did more than anyone else to create the modern suburb In response to an unprecedented housing shortage as veterans returned home from World War II his Levittown developments provided inexpensive mass produced housing that was wildly popular prospective buyers would camp out in line for two days for the chance to put down a deposit on a Levitt house He was a celebrity a life changing hero to tens of thousands and the pitchman of a renewed American Dream But Levitt also shared Ford s dark side He refused to allow Black people to buy or rent in his developments and doggedly defended this practice against legal challenges Leading the way for other developers who emulated his actions he helped ensure that suburbs nationwide remained white enclaves These legacies are still with us Levitt made a major contribution to the stubborn wealth disparity between white families and Black families and his solution to the housing crisis of the 1940s the detached house and surrounding yard is a primary cause of the housing crisis today As a person Levitt was a strangely guileless and tragic figure He accumulated vast wealth but after losing control of his building company surrendered it all through foolish investments and a lavish lifestyle that included a Long Island mansion and a two hundred foot yacht Just weeks before his death as a charity patient in a hospital to which he had once given millions he was still imagining his great comeback

*100 Queer Films Since Stonewall* Chelsea McCracken, Matt Connolly, 2025-05-01 100 Queer Films identifies 100 films that shaped the trajectory of queer cinema connected with larger movements and showcased the artistry of queer filmmaking In addition to those films that already hold significant places in queer film canons this volume examines often overlooked titles By highlighting hidden gems

alongside well known classics this book makes a valuable accessible contribution to queer film studies While queer films have existed since the beginning of cinema this book focuses on films released after the Stonewall uprising in 1969 Stonewall is considered a turning point for queer politics and representation and the 50 years since that event have generated an explosion of queer creativity The book describes significant formal elements of each film and connects them to their interrelated contexts By moving in chronological order it introduces a contemporary history of queer film and provides an overview of major developments in LGBTQ communities cultures and politics This volume presents a framework for understanding the value of queer film

**Queering Gay and Lesbian Studies** Thomas Piontek, 2010-10-01 Queering Gay and Lesbian Studies is a broadly interdisciplinary study that considers a key dilemma in gay and lesbian studies through the prism of identity and its discontents the field studies has modeled itself on ethnic studies programs perhaps to be intelligible to the university community but certainly because the ethnic studies route to programs is well established Since this model requires a stable and identifiable community gay and lesbian studies have emphasized stable and knowable identities The problem of course is that sexuality is neither stable tidy nor developmental With the advent of queer theory there are now other perspectives available that frequently find themselves at odds with traditional gay and lesbian studies In this pioneering new study Thomas Piontek provides a critical analysis of the development of gay and lesbian studies alongside the development of queer theory the disputes between them and criticism of their activities from both in and outside of the gay academic community Examining disputes about transgenering gay male promiscuity popular culture gay history political activism and non normative sexual practices Piontek argues that it is vital to queer gay and lesbian studies opening this emerging discipline to queer critical interventions without however further institutionalizing queer theory
