*MacArthur and the War Against Japan* Frazier Hunt, 1944      **The War Against Japan, 1941-1945** John J. Sbrega, 2015-06-12 With over 5 200 entries this volume remains one of the most extensive annotated bibliographies on the USA's fight against Japan in the Second World War Including books articles and declassified documents up to the end of 1987 the book is organized into six categories Part 1 presents reference works including encyclopedias pictorial accounts military histories East Asian histories historiographies Part 2 covers diplomatic political aspects of the war against Japan Part 3 contains sources on the economic and legal aspects of the war against Japan Part 4 presents sources on the military aspects of the war embracing land air and sea forces Religious aspects of the war are covered in Part 5 and Part 6 deals with the social and cultural aspects including substantial sections on the treatment of Japanese minorities in the USA Hawaii Canada and Peru      **MacArthur's ULTRA** Edward J. Drea, 1992 Cracking the enemy's radio code is a task so urgent and so difficult that it demands the military's best minds and most sophisticated technology But when the coded messages are in a language as complex as Japanese decoding problems multiply dramatically      MacArthur's War Douglas Niles, Michael Dobson, 2025-05-21 Just as *Fox on the Rhine* and *Fox at the Front* showed readers an alternate Europe in which Hitler had been killed thereby radically changing the course of World War II Douglas Niles and Michael Dobson bring us the Battle of Midway with a very different outcome The Allies are wildly out maneuvered and sent home in disgrace Back in the States things are looking rather grim as the ultra secret Manhattan Project runs into snafus that greatly delay the final production of the atomic bomb President Roosevelt's approval ratings drop dramatically Congress is desperate and the country cries out for a hero That hero might just be Douglas MacArthur who vowed that he would return to his beloved Philippines He plans to do so with the backing of the entire US Armed Forces MacArthur's plan of action is simple take the war back to the Japanese island by bloody island until standing on the shores of Japan he can proclaim victory And possibly gain the leadership of the United States as well At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied      *MacArthur's Jungle War* Stephen R. Taaffe, 1998 His book tells not only how victory was gained through a combination of technology tactics and army navy cooperation but also how the New Guinea campaign exemplified the strategic differences that plagued the Pacific War since many high ranking officers considered it a diversionary tactic rather than a key offensive      **The Conqueror Comes to Tea** John La Cerda, 2018-12-01 The story of Japan is no longer if it was ever the delicate words and prints of the travel literature of the nineteenth and early twentieth centuries A scheme for ruling the world has been followed by a costly war the war by unconditional surrender the surrender by occupation From these tumbling events is emerging the new story with characters and plots aplenty in the stark sometimes terrifying and always swiftly moving drama of Japan today It has all the makings of a novel      **Japan's Denial and MacArthur's Secret Deal** Mac Horino, 2004-09 Japan's Denial MacArthur's Secret Deal is a soci cultural analytical approach to bottom out the cause

and effect of what Japan has become today and her current societal dysfunction beyond economic crisis Japan's Denial MacArthur's Secret Deal is to unveil the kept secret of Japan when supreme Commander of Allied Powers General Douglas MacArthur summoned Emperor Hirohito to GHQ right after Japan accepted an unconditional surrender The socio cultural analysis examines the unexpected opportunity MacArthur created for the post war Japan as a result of his fateful decision and looks into her formative years as a modern nation to explain how Japan developed a collective unconscious national character disorder which has led both to her success as the world second economy and as her failure to develop a post World War II socio cultural identity The analysis depicts the inner working of Japanese psyche and emotion Discover the roots of conceived myth of Japan as an inscrutable and alien nation in Western experiences yet so approachable via Pokemon gadget rich electronics appliances and fully loaded cars To them Japan is in spite of all these exposure a nation of contradiction and duality

*Strategic Air War Against Japan* Haywood S. Hansell, 1983

*MacArthur's Victory* Harry Gailey, 2007-12-18

A GREAT WARRIOR AT THE PEAK OF HIS POWERS In March 1942 General Douglas MacArthur faced an enemy who in the space of a few months captured Malaya Burma the Philippines the Dutch East Indies and from their base at Raubaul in New Britain threaten Australia Upon his retreat to Australia MacArthur hoped to find enough men and material for a quick offensive against the Japanese Instead he had available to him only a small and shattered air force inadequate naval support and an army made up almost entirely of untried reservists Here is one of history's most controversial commanders battling his own superiors for enough supplies since President Roosevelt favored the European Theater butting heads with the Navy which opposed his initiatives and on his way to making good his promise of liberating the Philippines In the battles for Buna Lae and Port Moresby the capture of Finschhafen and other major actions he would prove his critics wrong and burnish an image of greatness that would last through the Korean War This was the other Pacific War the one MacArthur fought in New Guinea and against all odds and most predictions decisively won

**MacArthur's Coalition** Peter J. Dean, 2018-04-03

From 1942-1945 the Allies war in the Southwest Pacific was effectively a bilateral coalition between the United States and Australia under the command of General Douglas MacArthur By charting the evolution of the military effectiveness of the US Australian alliance MacArthur's Coalition puts the relationship between the United States and Australia at the center of the war against Japan Drawing on new primary source material Peter J Dean has written the first substantial book length treatment of the coalition as a combined military force This expansive and ambitious book provides a fresh perspective on the Pacific War by providing a close up in depth account of operations in the Southwest Pacific from the Kokoda Trail campaign to the reconquest of the Philippines and Borneo Dean's work takes the reader deep into the key military headquarters in the Southwest Pacific and reveals the discussions debates and arguments between key commanders and staff officers during the course of planning and waging a monumental conflict Drawing upon archival records across three continents Dean brings the qualities of these senior officers to life by exploring the critical importance of personalities and leadership in overcoming

cultural doctrinal and organizational divides in the largely unequal alliance Set against the practicalities of fighting a fanatical enemy in some of the most inhospitable terrain in the war his book shows how despite these divides and MacArthur's difficult personality the US Australian coalition was able to forge a highly effective and ultimately triumphant fighting machine With its unprecedented view of the joint nature of operations in the Southwest Pacific and its focus on frontline commanders and units in forging a successful fighting force MacArthur's Coalition illuminates a critical aspect of the Allied victory in World War II
