Adventures of Isabel and What's the Matter with Mary Jane has often said that death is too good for Lockwood Chiles who is in prison for killing her beloved partner Nathan and her close friend Pris and makes no secret that she hates the man who massacred her shot at happiness. So when Chiles ends up dead in his cell it's no wonder she becomes a prime suspect. Meanwhile an aggressive band of men in military adjacent garb turn a string of assaults against nameless's unhoused neighbors into full bore murder right behind the Epitome Apartments and she rashly promises to help bring them to law. As if that's not enough unscrupulous parties are scheming to strip her of her inheritance money she and Nathan had intended would address the city's lack of harm reduction services and low income housing. Now it is nameless's mission to clear her name and to hold her tattered community together all while she's coming apart herself. **Reload** Mary Flanagan, Austin Booth, 2002-05-03 An anthology of feminist cyberfiction and theoretical and critical writings on gender and technoculture. Most writing on cyberculture is dominated by two almost mutually exclusive visions: the heroic image of the male outlaw hacker and the utopian myth of a gender free cyberworld. Reload offers an alternative picture of cyberspace as a complex and contradictory place where there is oppression as well as liberation. It shows how cyberpunk's revolutionary claims conceal its ultimate conservatism on matters of class, gender, and race. The cyberfeminists writing here view cyberculture as a social experiment with an as yet unfulfilled potential to create new identities, relationships, and cultures. The book brings together women's cyberfiction fiction that explores the relationship between people and virtual technologies and feminist theoretical and critical investigations of gender and technoculture. From a variety of viewpoints the writers consider the effects of rapid and profound technological change on culture in particular both the revolutionary and reactionary effects of cyberculture on women's lives. They also explore the feminist implications of the cyborg, a human machine hybrid. The writers challenge the conceptual and institutional rifts between high and low culture which are embedded in the texts and artifacts of cyberculture.

Modest_Witness@Second_Millennium. FemaleMan_Meets_OncoMouse Donna J. Haraway, Thyrza Goodeve, 2018-06-27 One of the founders of the posthumanities. Donna J. Haraway is professor in the History of Consciousness program at the University of California Santa Cruz. Author of many books and widely read essays including the now classic essay *The Cyborg Manifesto*, she received the J. D. Bernal Prize in 2000, a lifetime achievement award from the Society for Social Studies in Science. Thyrza Nicholas Goodeve is a professor of Art History at the School of Visual Arts. The Adventures of Isabel Candace Jane Dorsey, 2020-10-20 Book one in a mystery series featuring a queer nameless amateur detective is ambisexual Kinsey Millhone meets Canadian Lisbeth Salander. Rescued from torpor and poverty by the need to help a good friend deal with the murder of her beloved granddaughter, our downsized social worker protagonist and her cat Bunnywit are jolted into a harsh street wise world of sex, lies, and betrayal to which they respond with irony, wit, intelligence, except for the cat, and tenacity. With judicious use of the Oxford comma, pop culture trivia, common mystery tropes, and a keen eye for deceit, our protagonist swaggers through the mean streets of, yes, a Canadian city and discovers that what seems at

first to be just a grotty little street killing is actually the surface of a grandiose and glittering set of criminal schemes

Altering Practices Doina Petrescu, 2007-05-07 This collection of essays addresses and defines the state of contemporary theories and practices of space it is concerned with the growing importance of technology and communications the effects of globalization and the change of social demands Within the current urban and geopolitical contexts it addresses the emergence of new social and political theories that raise questions of identity and difference in modern society The book reiterates feminist concerns with space from the critical stance of the new millennium With contributions from the leading theorists and thinkers from around the world representing the fields of architecture art philosophy and gender studies this book has a truly international and interdisciplinary reach Aurora Awards Edo Van Belkom, 1999 **The Fiction of**

Rushdie, Barnes, Winterson and Carter Gregory J. Robinson, 2005-08-24 Literature often reflects societal change but it can also effect change by inspiring people to think in new ways Four authors who encourage readers to question traditional boundaries are Salman Rushdie Julian Barnes Jeanette Winterson and Angela Carter This book takes an in depth look at the works of these authors with specific emphasis on how they challenge religion especially in its fundamentalist forms and its intersections with history politics gender and sexuality The study notes both differences and similarities among the four authors whose writings broadly represent the major themes in contemporary British literature Divided into two primary sections the volume first takes a look at Rushdie and Barnes and their stance regarding historical and political issues The second section concentrates on gender and sexuality in the writings of Winterson and Carter Among the works examined are Rushdie's *The Satanic Verses* and *Midnight's Children* Barnes' *Flaubert's Parrot* and *A History of the World in 10 1/2 Chapters* Winterson's *Boating for Beginners* and *Written on the Body* and Carter's *The Passion of New Eve* and *Heroes and Villains* The final chapter includes a brief survey of other significant figures in postmodern British literature including Martin Amis Ian McEwan D M Thomas Fay Weldon and Emma Tennant **Rancho Del Muerto, and Other Stories of Adventure**

by Various Authors, from "Outing" Charles King, 2021-05-19 In *Rancho Del Muerto and Other Stories of Adventure* Charles King curates an impressive anthology that showcases tales of daring escapades and existential challenges originally published in the magazine *Outing* The collection exemplifies a vivid narrative style characterized by rich descriptions and dynamic characterizations all set against the backdrop of the American frontier King's choice of stories allows readers to explore diverse themes such as resilience camaraderie and the search for identity within the expansive and often treacherous landscape of adventure literature reflective of the late 19th century's fascination with the heroic and the untamed Charles King a pivotal figure in American literature was an experienced military officer which deeply influenced his writing His firsthand knowledge of frontier life and the complexities of the human experience in tumultuous environments resonate throughout the anthology King's commitment to capturing authentic voices and experiences reveals his intent to immortalize the wild spirit of adventure that defined his era making this collection not only an artistic endeavor but also a historical

document of American narratives For readers seeking an exhilarating escape into the spirit of adventure this anthology is a treasure trove of stories that ignite the imagination King s curation invites both enthusiasts of classic literature and modern adventurers to immerse themselves in the exhilarating experiences depicted in these tales making it a must read for those who crave both escapism and depth **Would You Like to Be White and Other Stories** Dominick Ricca, 2011-03-08

The Canadian Encyclopedia James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the

constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada
