wrote about in my first two books *Riding with Ghosts* *Angels and the Spirits of the Dead* and *A Knock in the Attic* with relevant updates to those narratives such as the night that my precious and beloved deceased cat Gizmo came back in the flesh to visit me yet once again proving that there is a powerful spiritual continuum in our lives that endures and provides additional truths and reassurances that our souls live on I write about never before told occurrences such as the time when my psychic powers fried a bus the hair raising supernatural event that happened to me when I was just a boy running my paper route on my bicycle in the dark the magic rocks I've found over the years that changed in apparent weight and size and appearance strange teleportations of objects from one sealed box to another after we had moved an incredible story of the Devil himself dancing with several women in a West Texas nightclub during Cinco de Mayo guidance from the Other Side that enabled me to save the life of a young child and the bizarre story of a snake that saved me and my buddies from a beatdown Sometimes my paranormal experiences are teaching moments that are subtle memorable and occasionally heartrending including life lessons that I've learned while observing nature animals and people In some of my essays written in a style reminiscent of Robert Fulghum you'll discover the spiritual lessons I learned from watching ducks in the river a moth stuck in dewy grass and a sacred moment I experienced with of all things a taco And then there's those pesky UFOs Read about my own up close and personal encounters with these strange craft and my subsequent observations that have led me to draw distinct conclusions about their behaviors That's just a smattering of the amazing true tales you'll enjoy reading in my newest book *The Crying Tree and the Magic Rock* **The Dictionary of Magic & Mystery** Melusine

common sense warnings of her coven Meanwhile another beldame has accused Eve's sister Helena of killing her own husband sixty years before and Eve disguised as her younger self spends more and more time with Justin to take her mind off the growing pile of evidence that suggests her sister isn't the pure hearted matriarch she appears to be Eve knows her family has every reason to disapprove and that falling in love with an ordinary man can only end in despair but she can't give up the boy who might be Jonah because this time she just might be able to keep him A delightfully romantic adventure set between a supernatural version of present day New York City and the epic backdrop of World War II Petty Magic proves that the real fun starts when beldames and mortal men dare to fall in love
