Foregrounding the Role of Gender in the Interpretation of Meaning : A Study of Select Women's Fiction

Dr.Mrs.F.Mary Judy Benno, M.A., M.Phil., Ph.D.,2024-05-12 Foregrounding the Role of Gender in the Interpretation of Meaning A Study of Select Women s Fiction delves into the intricate ways gender shapes the understanding and interpretation of literary texts Through a meticulous examination of select women s fiction Dr F Mary Judy Benno brings to light the nuanced perspectives and unique experiences that female authors contribute to literature This groundbreaking work challenges traditional literary criticism by highlighting the pivotal role gender plays in the construction of meaning offering fresh insights and a deeper appreciation of women s narratives *On Melville* Louis J. Budd,Edwin Harrison Cady,1988 Many of the selections have become standard studies and interpretations Sherman Paul on *The Town Ho s Story* R W B Lewis on Melville and Homer Merton Sealts on Melville s *I and My Chimney* to name only a few The quality of the selections is very high indeed as was true of earlier volumes in this series Highly recommended Choice Paperwork Kevin McLaughlin,2011-06-03 The Paper Age is the phrase coined by Thomas Carlyle in 1837 to describe the monetary and literary inflation of the French Revolution an age of mass produced Bank paper and Book paper Carlyle s phrase is suggestive because it points to the particular substance paper that provides the basis for reflection on the mass media in much popular fiction appearing around the time of his historical essay Rather than becoming a metaphor however paper in some of this fiction seems to display the more complex and elusive character of what Walter Benjamin evocatively calls the decline of the aura The critical perspective elaborated by Benjamin serves as the point of departure for the readings of paper proposed in *Paperwork* Kevin McLaughlin argues for a literary critical approach to the impact of the mass media on literature through a

series of detailed interpretations of paper in fiction by Poe Stevenson Melville Dickens and Hardy In this fiction he argues paper dramatizes the withdrawal as Benjamin puts it of the here and now of the traditional work of art into the dispersing or distracting movement of the mass media Paperwork seeks to challenge traditional concepts of medium and message that continue to inform studies of print culture and the mass media especially in the wake of industrialized production in the early nineteenth century It breaks new ground in the exploration of the difference between mass culture and literature and will appeal to cultural historians and literary critics alike

Myth and Fairy Tale in Contemporary Fiction Alexandra Cheira,2023-03-28 This volume provides more sustained critical attention on the use of myth and fairy tales in contemporary fiction both stand alone tales and those which are embedded in the wider frame of a novel or novella In this light the book examines contemporary retellings of myths and fairy tales in a productive dialogue with tradition as an extended appreciation of this productive creative and theoretical dialogue The individual chapters evince a robust variety of conceptions and approaches all thoroughly observant of the nature and workings of the relationship between story and genre and theoretically informed by innovative critical approaches Hence the volume demonstrates the undeniable importance of myth and fairy tales in contemporary fiction suggesting questions for future consideration and hopefully pointing towards new texts and new critical inquiries
