Maigret in Vichy Georges Simenon, 1969 Translated by Eileen Ellenbogen A Helen and Kurt Wolff book **Maigret and the Killer** Georges Simenon, 2020-04-07 A writer as comfortable with reality as with fiction with passion as with reason John Le Carr When a dinner between Inspector Maigret and friends ends abruptly at the discovery of a body the detective must plumb the darker side of human nature to discover what motivates a killer Maigret and wife have always enjoyed their occasional dinners with Mr and Mrs Pardon on the Boulevard Voltaire But one of the congenial meals is interrupted by a neighbor who has stumbled across the body of a young man in the nearby Rue Popincourt Maigret answers the call with his friend Dr Pardon and their pleasant evening is quickly brought to an end by the commencement of a complicated murder case And when a tape recorder is discovered on the victim's body it only complicates matters Maigret's investigation leads to the discovery of another crime altogether and the fascinating story of the murdered man's life Maigret and the Killer is a taut engrossing mystery that shows off Georges Simenon's flair for creating complex characters with deeply human problems and his ability to make a senseless crime understandable **Maigret and the Reluctant Witnesses** Georges Simenon, 2018-03-01 His artistry is supreme John Banville It was as if suddenly long ago life had stopped here not the life of the man lying on the bed but the life of the house the life of its world and even the factory chimney that could be seen through the curtains looked obsolete and absurd A once wealthy family closes ranks when one of their own is shot leaving Maigret along with a troublesome new magistrate to pick his way through their secrets One of the greatest writers of our time Sunday Times **Maigret Is Afraid** Georges Simenon, 2017-11-07 A writer as comfortable with reality as with fiction with passion as with reason John Le Carr Maigret stumbles upon a series of murders in Fontenay le Comte while visiting an old school friend On his way home from a conference Maigret stops to visit an old school friend in Fontenay le Comte A man in the same train car introduces himself and asks if Maigret has come to help solve the murder case In fact the man's brother in law had been murdered four days earlier followed by the murder of a local widow in the same way a blow to the head with a pipe While Maigret is in town a third murder is reported Maigret soon discovers that there are two warring factions in the town a clear class separation and an air of suspicion that only he can put to rest
