'Warrior-In-Waiting' E.G Farman,2019-06-23 The book paints a picture of air force life in the 40s 50s 60s including the period when the Cold War nearly became the opposite One of the Wellingtons had begun an overshoot but as the engines reached full power the nose had shot skywards the aircraft had climbed for a moment then stall turned into the ground and burned As they started the overshoot the instructor had taken the backthrust from the elevators and his backrest had broken away under the strain sending him over backwards still holding the wheel That was all that it had taken to kill three men A manoeuvre to practise in the simulator was the escape They would need to be five miles away at bomb burst and running away from the pressure wave but some had not thought it through Survival required an instant tight diving turn while closing the bomb doors and pushing the aircraft to its limiting speed Less imaginative captains would ask how far away they were at bomb burst and I would reply Three quarters of a mile

South Africa Monica Cole,2022-10-05 Originally published in 1961 this book was the first comprehensive work on South African geography that also presented a balanced account of all facets of the economic life It was written to provide background information on South Africa the nature of the country its resources and deficiencies its historic settlement by peoples of different races and of the progress made and the difficulties encountered in the major areas of economic activity agriculture mining manufacturing and trade In discussing these factors the book acknowledged that in South Africa the complexities of the relationships between peoples of different racial origins and widely differently economic and cultural standards are met in one country

Media and the Empire Ruth Teer-Tomaselli,Donal McCracken,2017-10-02 This volume on print and broadcast media in the 19th and 20th centuries highlights the pivotal role that the media played in the establishment and maintenance of imperial power The media bolstered both the ideological and financial objectives of the empire in a myriad of overt covert and downright scandalous ways From jeopardising the introduction of wireless telegraphy in order to maximise the financial gains of the investors of under sea cabling to newspaper proprietors cashing in on the thrilling wonderful and sometimes fabricated adventures of war correspondents in exotic lands the media has had a constant background influence in the public s perception of empire By covering diverse topics from Anthony Lejeune s radio talk show London Letters which supported the Allies by boosting morale and providing a link between soldiers fighting abroad and their families during both World Wars to the complete subversion of imperial influence as in the case of the proliferation of diverse media platforms being used by migrant communities in Britain as a means to promote colonization in reverse the book hints at the politics suspense and intrigue of both the print and broadcast sectors This book was originally published as a special issue of Critical Arts
