Morton Greats:

Morton Greats Graeme Ross, 2004 Over the years Greenock Morton football club has had its highs and lows Periodically gracing Scotland's Premier Division the club is famous as a warm and friendly club that has produced such talents as Joe Jordan and David Hopkin In 1997 the club was bought by a new owner and came to the brink of extinction before being rescued by Douglas Rae who has presided over a regeneration that has seen the club move up rapidly from the third division to the second and challenge for promotion to the first division the very next season In this new book about the men who have been the pride of Cappielow Park over the years Graeme Ross has brought together the results of countless interviews with the players themselves their friends and relatives and fans to recount the careers of 10 Morton stalwarts and their contributions to their proud club's history

The King of Cappielow John Riddle, 2011-07-18 The King of Cappielow with a fitting Foreword by Sir Alex Ferguson CBE is a tribute to the much loved Scottish footballing legend Andy Ritchie He was born in Glasgow in 1956 and developed a passion for football from a young age As a teenager he went for trials with several English clubs but in the end joined Celtic in 1971 at the age of 15 signing professional forms in 1973 In 1976 after one too many alleged disputes with manager Jock Stein he became part of a transfer deal moving to Greenock Morton in exchange for their goalkeeper Roy Baines And thus for the next seven years Andy Ritchie built his reputation as the King of Cappielow Adored by the fans but attracting less regal labels by the media such as the Idle Idol and the Ambling Alp due to his large build and less than energetic footballing style Ritchie proved his incredible ball skills time after time netting 133 goals in 246 matches and achieving the honour of top goalscorer in the Premier League for three consecutive years He became renowned for his ability to curl the ball into the net from free kicks particularly corners an expertise he purportedly developed from watching the Brazilians training for the 1974 World Cup even though he sadly never got to play for Scotland On leaving Morton Andy Ritchie played briefly for Motherwell and was player manager at Albion Rovers for a season before retiring from football in 1985 aged 28 The call of Scotland and football ever strong he eventually returned to his roots from a management position at the Barbican in London and after some time as a football scout he took on his current role of SPL delegate match observer Although he received the coveted Football Writers Player of the Year award in 1979 he is yet to be inducted into the Scotland Hall of Fame Maybe with this publication his time for full recognition will come *Stramash!*

Daniel Gray, 2013-07-22 Fatigued by bloated big game football and bored of a samey big cities Daniel Gray went in search of small town Scotland and its teams At the time when the Scottish club game is drifting towards its lowest ebb once more Stramash singularly falls to wring its hands and address the state of the game preferring instead to focus on Bobby Mann's waistline Part travelogue part history and part mistakenly spilling ketchup on the face of a small child Stramash takes an uplifting look at the country's nether regions Using the excuse of a match to visit places from Dumfries to Dingwall Gray surveys Scotland's towns and teams in their present state Stramash accomplishes the feats of visiting Dumfries without

mentioning Robert Burns being positive about Cumbernauld and linking Elgin City to Lenin It is a fond look at Scotland as you've never seen it before **REVIEWS** There have been previous attempts by authors to explore the off the beaten paths of the Scottish football landscape but Daniel Gray's volume is in another league **THE SCOTSMAN** Truly splendid **ARTHUR MONTFORD** An excellent book about the country's smaller teams **Stramash** captures the vague romance that still clings to these smaller Scottish clubs It will make a must read for every non Old Firm football fan and for many Rangers and Celtic supporters too **DAILY Record** As he takes in a match at each stopping off point Gray presents little portraits of small Scottish towns relating histories of declining industry radical politics and the connection between a team and its community It's a brilliant way to rediscover Scotland **THE HERALD** A great read because Gray doesn't write about just football he uses football as an excuse to explore the histories of small towns in Scotland **THE SKINNY** Why do the Gers and Hoops have retail outlets in the capital Why do buses depart for Glasgow on a Saturday morning from every corner of Scotland Gray's book is a splendid attempt to answer these questions and more besides The result is sociology at its best which is to say eminently readable **Stramash** may turn out to be a memoir of the way we were and an epitaph **SUNDAY HERALD** I defy anyone to read **Stramash** and not fall in love with Scottish football's blessed eccentricities all over again Funny enough to bring on involuntary laugh out loud moments **THE SCOTTISH FOOTBALL BLOG**

Reading texts such as the South English Legendary The Life of St Etheldrede the Golden Legend and poems about Saints Wenefrid and Ursula Sanok focuses especially on the significance of their varied and often experimental forms She shows how Middle English Lives of native saints revealed through their literary forms modes of affinity and difference that in turn reflected a diversity in the extent and structure of medieval communities Taking up key questions about jurisdiction temporality and embodiment New Legends of England presents some of the ways in which the Lives of England s saints theorized community and explored its constitutive paradox the irresolvable tension between singular and collective forms of identity
