Musical Notation in the West James Grier, 2021-02-18 Musical notation is a powerful system of communication between musicians using sophisticated symbolic primarily non verbal means to express musical events in visual symbols Many musicians take the system for granted having internalized it and their strategies for reading it and translating it into sound over long years of study and practice This book traces the development of that system by combining chronological and thematic approaches to show the historical and musical context in which these developments took place Simultaneously the book considers the way in which this symbolic language communicates to those literate in it discussing how its features facilitate or hinder fluent comprehension in the real time environment of performance Moreover the topic of musical as opposed to notational innovation forms another thread of the treatment as the author investigates instances where musical developments stimulated notational attributes or notational innovations made practicable advances in musical style

The Lyrical in Epic Time David Der-wei Wang, 2015-01-20 In this book David Der wei Wang uses the lyrical to rethink the dynamics of Chinese modernity Although the form may seem unusual for representing China's social and political crises in the mid twentieth century Wang contends that national cataclysm and mass movements intensified Chinese lyricism in extraordinary ways Wang calls attention to the form's vigor and variety at an unlikely juncture in Chinese history and the precarious consequences it brought about betrayal self abjuration suicide and silence Despite their divergent backgrounds and commitments the writers artists and intellectuals discussed in this book all took lyricism as a way to explore selfhood in relation to solidarity the role of the artist in history and the potential for poetry to illuminate crisis They experimented with poetry fiction film intellectual treatise political manifesto painting calligraphy and music Western critics Wang shows also used lyricism to critique their perilous epic time He reads Martin Heidegger Theodor Adorno Cleanth Brooks and Paul de Man among others to complete his portrait The Chinese case only further intensifies the permeable nature of lyrical discourse forcing us to reengage with the dominant role of revolution and enlightenment in shaping Chinese and global modernity Wang's remarkable survey reestablishes Chinese lyricism's deep roots in its own native traditions along with Western influences and realizes the relevance of such a lyrical calling of the past century to our time
