Every Woman's Battle Shannon Ethridge, 2014-06-25 When does an affair begin Not with the first forbidden touch but with the first forbidden thought Unexpectedly you find yourself enjoying a powerful emotional bond with another man You feel like you matter to someone again And the door you thought was locked so firmly the door to sexual infidelity is suddenly ajar The only way women can survive the intense struggle for sexual integrity is by guarding not just your body but your mind and heart as well Every Woman's Battle can help you learn to do that Using real life stories and examples from her own struggle Shannon Ethridge helps women like you whether married engaged or planning to marry someday *The Painter of Battles* Arturo Pérez-Reverte, 2009-03-10 Andr s Faulques a world renowned war photographer has retreated to a tower overlooking the Spanish coast where he paints a vast mural incorporating the indelible images of conflict he's witnessed in his lifetime One night an unexpected visitor interrupts his solitude As Faulques struggles to recall the face the man explains that he was the subject of an iconic photo taken by Faulques in a war zone years ago a photo that destroyed his life And why have you come looking for me asks Faulques The stranger answers Because I'm going to kill you So begins a life or death exchange in which Faulques is forced to recall a time when he loved a beautiful woman and risked his life daily for art and testimony Yet as the tense dialogue between Faulques and his would be killer continues the stakes grow even higher What they are grappling with becomes not just Faulques fate but the very nature of love and cruelty itself *The Future of Men* Jack Myers, 2016-03-01 Once again Jack Myers has his fingers on the pulse of the very latest Myers has clearly done his homework and the result is this superb book Ken Burns documentary filmmaker of The Roosevelts and The Civil War After being told all their lives to be a man and man up men are now rejecting the macho stereotype and instead developing empathy getting in touch with their emotions and becoming more sensitive in their relationships Women are gaining ground in business culture education relationships and politics as traditional male and female roles disappear The Future of Men Masculinity in the Twenty First Century prepares men and women for this shift in gender norms As the definition of a real man evolves understanding the future of men in business politics sports education relationships and parenting will be essential for men to maintain psychological well being strengthen their self esteem and sexual self confidence and rewire their emotional lives The Future of Men provides tools to help men and especially younger men recognize and embrace new behaviors that are required for health and happiness at work at home and in their relationships No Labour, No Battle John Starling, Ivor Lee, 2014-09-01 From 1917 British soldiers who were unfit or too old for front line service were to serve unarmed and within the range of German guns for weeks or even months at a time undertaking labouring tasks Both at the time and since they have arguably not been given the recognition they deserve for this difficult and dangerous work From non existence in 1914 by November 1918 Military Labour had developed into an organised and efficient 350 000 strong Labour Corps supported by Dominion and foreign labour of more than a million men Following the war the grim and solemn

tasks of clearing battlefields and constructing cemeteries which continued until 1921 were also the responsibility of the Corps Here John Starling and Ivor Lee bring together extensive research from both primary and secondary sources to reveal how the vital yet largely unreported role played by these brave soldiers was crucial to achieving victory in 1918 Reading Your Male Mary Farrar,2012-12-10 There is a growing crisis among our men and boys in the area of sexual temptation and sin pornography use is skyrocketing and increasing numbers of men find themselves entangled in a web they can't seem to escape Yet many men feel greatly misunderstood by their women while just as many women feel mystified and powerless to help their men Mary Farrar Reading Your Male Now author Mary Farrar confirms that every woman whether a wife mother or single woman can play a powerful and pivotal role in the male sexual struggle by entering into her man's world and seeing through his eyes thinking with his mind feeling with his emotions connecting with his soul Reading Your Male de mystifies inner male sexuality exposes the enemy's tactics in taking down our men and equips women to use their innate gifts in becoming a man's greatest ally in the fight for victory Using biblical insight and up to date research Farrar also tackles some of the most elusive questions women are asking today such as Why do men struggle so deeply in the area of sexuality What are we to think about pornography and masturbation Why does this generation of men appear to be so reticent What does a man crave most from a woman What is a woman's most powerful gift to her man How can a woman draw out an emotionally unavailable man What is a healthy view of strong femininity and beauty **American Military History, Volume I** Center of Military History,2005-05-20 Shipping list no 2006 0299 P v 1 and 2006 0290 P v 2 **The Image of Man** George Lachmann Mosse,1996 Men should be brave daring cool under fire and honourable Who says so This book by a major US historian sets out to show how our idea of manliness evolved and how long these qualities have been the norm

Morale and the Italian Army during the First World War Vanda Wilcox,2016-07-04 Italian performance in the First World War has been generally disparaged or ignored compared to that of the armies on the Western Front and troop morale in particular has been seen as a major weakness of the Italian army In this first book length study of Italian morale in any language Vanda Wilcox reassesses Italian policy and performance from the perspective both of the army as an institution and of the ordinary soldiers who found themselves fighting a brutally hard war Wilcox analyses and contextualises Italy s notoriously hard military discipline along with leadership training methods and logistics before considering the reactions of the troops and tracing the interactions between institutions and individuals Restoring historical agency to soldiers often considered passive and indifferent Wilcox illustrates how and why Italians complied endured or resisted the army s demands through balancing their civilian and military identities

McEachern,2023-03-10 The first in a trilogy of books about the founding of the U S Navy The Founding Fathers at Odds The Quasi War is told in the form of a memoir from the vantage point of young South Carolinian of Scottish descent from the Waxhaws who goes to sea and is later impressed into the British Navy This first work spans the tumultuous era of the Quasi War with France the writing of the United States Constitution and the birth in the United States of partisan politics which becomes increasingly bitter and divisive The second volume entitled Dueling Brothers Dueling Countries and The Lure of Empire The Barbary Pirates recounts the War with the Barbary Pirates the rise of Aaron Burr the Louisiana Purchase and the Presidency of Thomas Jefferson while the third volume entitled Free Trade and Sailors Right The War of 1812 covers the Second War of Independence the War of 1812 The second volume should be out later this year of 2023 with the final volume to follow in 2024 The oldest of large family James goes to sea sailing on a merchantman while his brothers and sisters have roles to play as shipwrights under Joshua Humphreys building the frigates that will serve the nation so well such as the Constellation and the Constitution or in serving in the militia under Andrew Jackson or running the family s farm and other businesses The setting in the Waxhaws the site of an infamous massacre during the Revolution and the clan s father and grandfather having fought at both King s Mountain and at Cowpens under Daniel Morgan grounds the novel in the era following the American Revolution The spirit of partisan politics even divides James family with his brother John becoming a correspondent of Thomas Jefferson James Monroe and James Madison while the patriarch of the family is longtime friend and admirer of Alexander Hamilton When James is impressed by the British Navy he finds himself under the cruel tutelage of Lieutenant Campbell and the equally sinister Sailing Master William Samuelson Floggings and other punishments such as mastheading during a vicious storm are only some of the measures Campbell and Samuelson take in order to torment and hopefully kill young James While James fights against the French in the British Navy Captain John Truxtun defeats two French frigates in one on one ship battles during the Quasi War At home his younger brother John who has always despised James not only courts the intended of James the prominent and wealthy Patience Pendleton but also tries to displace James as the eldest son in their father s eyes and their father s businesses John over the wishes of his father and the objections of the rest of the family invests in slaves to work their landholdings This is the era where the relationship between the United States and France deteriorates with the diplomats of France demanding huge bribes merely to start diplomatic talks in the infamous X Y Z Affair John Adams becomes aware that his Vice President and best friend Thomas Jefferson has been intriguing with France counter to the policy of President Adams to court Great Britain and its secure some of its vast world trade network While Great Britain fights Napoleon among other naval adventures our young sailor James fights the French fleet at Aboukir Bay in Egypt under Admiral Lord Nelson learning the British naval tactics discipline and signals which he later brings to the U S Navy during the War of 1812 If James can survive his servitude in the British Navy and come home what will he find His love stolen His inheritance stolen **McClure's Magazine** ,1908 Masculinity and the British

Organization Man since 1945 Michael Roper, 1994-01-20 The post war period is often regarded as a time when Britain underwent its managerial revolution the family firm and the gentleman amateur giving way to the large bureaucracy and the trained management expert Yet the conception of modern management as an objective process could hardly be further from the truth Drawing on detailed life history interviews with the post war generation of organization men this study explores the intimacies that operate among men in management It argues that despite the rise of professional management relations between managers continue to function in highly subjective ways The pleasure of technical innovation or of seeing a new product through to the market the mixture of rivalry and patronage that surrounds management succession the hard bargaining of industrial relations at every level managerial functions involve the dramatization of emotions among men By challenging the enduring myth of the rational organization man this book sheds new light on gender segregation in management It argues that the exclusion of women from senior positions cannot be understood simply as the outcome of unprofessional practices A focus on the emotional relations between male managers reveals the psychic dimensions of exclusionary behaviour An emotional economy flourishes among men in management but its workings have been hidden by the myth of the rational organization man **Military Review** ,2004
