of the Dead Girl in this tale where Fifty Shades meets Hellraiser      Arkham Brandon Berntson,2020-02-23 A Sunday drive in the country for Macky and Millie turns into a rain drenched detour into the town of Arkham When a human spider jumps in front of the coupe Macky steers the car into a ditch leaving them stranded Taking refuge at the Bannister Inn they discover the town isn't what it used to be The rain is so torrential it feels like a curse As Macky investigates Herbert West's name keeps making its way into the conversation along with a past riddled with experimentation madness and murder What is the green glow emanating from the asylum on the hill Why does it never stop raining And who's responsible for the unearthed graves at Christ's Church Cemetery No one is cooperating and some of the townsfolk look a little less than lively As Macky probes deeper more horrors are unearthed a bemoaning lament rises from an elevator shaft symbols that look like trees are carved in various places throughout town Herbert West has been dead for more than fifteen years but something is stirring in the bowels of the asylum and the people of Arkham are trying desperately to keep it a secret The answer lies in Arkham Sanitarium where unearthly creatures are crawling in the catacombs beneath the earth and a cosmic ancient evil wants very much to remain undisturbed      Träumerei, Vol. 1 Ynna San Juan,2020-08-26 Why has time stopped for no one but you Once upon a time there lived a vampire named No'l Rousseau While his existence was one of monotony it was familiar All was well and he was content until a curious demonic girl and her magpie stumbled across the small cabin he called home Placed upon a crossroads No'l must decide whether to continue on in ignorance or confront the mysteries of his past particularly the reasons as to why he was trapped in that lonesome isolated house for over fifty years and the disappearance of his Aunt Delia Unfortunately the outside world is not as he remembers it to be      **The evil guest** Joseph Sheridan Le Fanu,1894      *Hush Little Baby* Sean Kerr,2020-01-15 Never take your life for granted or something may just take your life Sian and Andy have good lives loyal friends a beautiful home and a loving family To everyone else they are the perfect couple in the form of the doting husband and the successful wife But every family has secrets and Sian and Andy are about to realise that nothing stays hidden forever Some secrets are just dying to get out At what point does a career become more important than your life When does work become more important than the one you love or your sanity Sian is about to find out because she keeps seeing things dark monstrous things that hide in her bed It feels as though every shadow contains a horrific secret and no one will believe her Even her own mother thinks that Sian has lost her mind To make matters worse Andy thinks that her hallucinations are caused by guilt and it is a guilt that is slowly devouring their perfect relationship After a blazing row Sian is left alone in a house that feels hostile and dangerous As darkness falls Sian must face her guilt in the form of a horror more profound and more terrifying than anyone could have imagined This is a graphic horror story that contains sensitive themes and should be avoided if you are easily offended      **Deadly After Dark** Jeff Gelb,Michael Garrett,2005-01-01 This latest collection in the Hot Blood series of erotic horror features bone chilling stories from such acclaimed authors as Max Allan Collins Edward Lee and Bentley Little Original      In a Glass Darkly J. Sheridan Le Fanu,2014-04-22 This remarkable

collection of stories includes Green Tea The Familiar Mr Justice Harbottle The Room in the Dragon Volant and Carmilla The five stories are purported to be cases by Dr Hesselius a metaphysical doctor who is willing to consider the ghosts both as real and as hallucinatory obsessions The reader s doubtful anxiety mimics that of the protagonist and each story thus creates that atmosphere of mystery which is the supernatural experience     *The Amityville Horror 2* John G. Jones,1982     **Stained Torment** Colin Morom,2021-01-03 Warning Adult content this work is not suitable for minors It contains extracts of a sensitive nature VNSL As a young child Kora failed to rid the physical and haunting presence of the bad man Mr Red Eyes No one understood her horror stories and nightmares so she stopped complaining The bloody sacrifices and torture continued tragically it intensified to sexual degradation the day after her eighteenth birthday Again no one seemed to care However in time even her own family considered her regular injuries and episodes to be self inflicted Just like another wayward teenager seeking attention from a lack of self confidence Everyone turned a blind eye all too afraid to get involved This was when Mr Red Eyes identified himself as Evil personified After which this sassy all American blonde bombshells hidden defiance really began Was this a sick joke or did she know better Where did the war between Love and Evil begin and how long will it continue Could Kora end it all with her ultimate surrender and the slaying of her own soul This book will appeal to anyone with an open mind to the paranormal and who enjoys mind games If you challenge what hides in the dark instead of running away you will love the storyline Remember if all else fails keep on screaming
