Group (ALSG),2012-10-17 This international bestselling book on acute paediatric care is the coursebook for the Advanced Life Support Group's Advanced Paediatric Life Support (APLS). It uses their practical approach and tried and tested method of treating children during the crucial first few hours of a life threatening condition. This edition has been adapted specifically for use in Australia and New Zealand with the latest procedures, medications and clinical best practice to match the guidelines of the Australia and New Zealand Resuscitation Councils. Advanced Paediatric Life Support is used in emergency and paediatric departments by physicians, nurses and allied health professionals and its clear layout and straightforward style make it a highly practical tool both for training and in the event of an emergency. The fifth edition includes major new features bringing it right up to date including The latest International Liaison Committee on Resuscitation (ILCOR) 2010 Guidelines. A new and improved design including full colour photographs and diagrams. Fully adapted for use in Australia and New Zealand. New sections for Australasian specific practice including envenomation, burns, triage, neonatal resuscitation and formulary. With this book at hand, paediatric and emergency staff can be confident in having comprehensive and authoritative guidance on the first principles of recognising life threatening conditions through to all the procedures necessary to save a child's life. *SAQs for the Final FRCA* James Nickells, Andrew Georgiou, Benjamin Walton, 2009-08-20

*SAQs for the Final FRCA* is an invaluable guide to the Short Answer Question paper for the Final FRCA examination providing 9 papers of 12 questions per paper. Each question is accompanied by a full model answer structured using a star system to indicate the essential, desirable and supplementary information. Most answers also carry references and additional notes giving insight into why a question was written or what the examiner was really after. A highly informative FAQ section gives advice on all aspects of exam preparation. The book is laid out to enable the candidate to practise sitting whole papers of 12 questions or to attempt individual questions. Written by a group of authors who have either just successfully taken the Final FRCA or are regularly involved with training anaesthetists via the Frenchay Final FRCA Crammer Course. *SAQs for the Final FRCA* is an invaluable tool for your exam preparation.
