**The Rare and Excellent History of Saladin or al-Nawadir al-Sultaniyya wa'l-Mahasin al-Yusufiyya by Baha' al-Din Ibn Shaddad** D.S. Richards,2020-04-28 Saladin is perhaps the one and only Muslim ruler who emerges with any clarity in standard tales and histories of the Crusades this is a translation of Baha al Din Ibn Shaddad s account of his life and career Ibn Shaddad 1144 1234 was clearly a great admirer of Saladin and was a close associate of his serving as his qadi al askar judge of the army from 1188 until Saladin s death in 1193 His position and his access to information make this an authoritative and essential source for Saladin s career while his personal relationship with the sultan adds a sympathetic and moving element to the account of his final years Aside from its inherent value as a source for the history of Egypt and the Middle East it therefore provides a much needed complement and corrective to the widely known Latin accounts of the Crusades and the Latin Kingdom of Jerusalem in the 12th century The present translation is based on a fuller edition of the text than that used in the previous 19th century translation and takes into account the translator s readings of the earliest manuscript of the work dated July 1228      **Saladin** John Man,2021 Saladin remains one of the most iconic figures of his age As the man who united the Arabs and saved Islam from Christian crusaders in the twelfth century he is the Islamic world s preeminent hero A ruthless defender of his faith and brilliant leader he also possessed qualities that won admiration from his Christian foes But Saladin is far more than a historical hero Builder literary patron and theologian he is a man for all times and a symbol of hope for an Arab world once again divided Centuries after his death in cities from Damascus to Cairo and beyond to the Arabian Peninsula and the Gulf Saladin continues to be an immensely potent symbol of religious and military resistance to the West He is central to Arab memories sensibilities and the ideal of a unified Islamic state John Man charts Saladin s rise to power his struggle to unify the warring factions of his faith and his battles to retake Jerusalem and expel

Christian influence from Arab lands Saladin explores the life and enduring legacy of this champion of Islam while examining his significance for the world today Provided by Amazon com      *Saladin* John Davenport,2003 Examines the life of the very powerful and influential Muslim sultan Saladin who led his people in an attempt to regain holy lands in and around Jerusalem that had been lost during earlier Crusades      **A Short History of the Saracens** Syed Ameer Ali,1900      Saladin in Egypt Yaacov Lēv,1999 Saladin in Egypt provides for medievalists the Middle Eastern context for the rise of Saladin to power and his military naval and internal policies in Egypt For scholars of Middle Eastern history it offers a fresh look at the sources and new interpretation for the demise of the Fatimid state      Saladin Stanley Lane-Poole,1903
