Dark personal issues began to surface and drinking, drugs, gambling and girls ultimately derailed a career that had him destined for the Hall of Fame. Fleury shares all in this raw, captivating and honest look at the previously untold story of one of the game's greatest heroes. Medieval Europeans Alfred P. Smyth, 2016-07-27 A team of leading scholars in the fields of Medieval Literature and History examine the origins of European ethnic groups which subsequently developed into the nations of Europe. The contributors look at evidence for the existence of an ethnic consciousness among the dominant European groups, this later formed the basis of nation states. The reconstruction and invention of the past by medieval writers in search of ethnic origins for their own particular political or tribal groups is also studied from a literary and historical point of view.
