a horrific car accident on my 25th birthday I woke up to an epiphany that my fairytale was much more than just becoming a big city girl Taking a leap of faith to go after my dreams developing a relationship with God and discovering my true purpose in life became my real happily ever after This book also gives an entirely new outlook to the traditional concept of what we know a fairytale to be Unlike others each chapter unravels a whole new definition of the term fairytale and intends to convince the minds of those who never believed in fairytales at all When you read this book you will discover that your fairytales are your dreams your purpose your truth your vision your deepest thoughts your inner magic your baby your goals your prophetic call your diamond your destiny and your recipe for success just to name a few X **The professor** Charlotte
