Racial Stigma on the Hollywood Screen from World War II to the Present Brian Locke, 2009-11-23 *Racial Stigma on the Hollywood Screen from WWII to the Present* charts how the dominant white and black binary of American racial discourse influences Hollywood's representation of the Asian The Orientalist buddy film draws a scenario in which two buddies one white and one black transcend an initial hatred for one another by joining forces against a foreign Asian menace Alongside an analysis of multiple genres of film Brian Locke argues that this triangulated rendering of race ameliorates the longstanding historical contradiction between U S democratic ideals and white America's persistent domination over blacks

Killing the Indian Maiden M. Marubbio, 2006-12-15 *Killing the Indian Maiden* examines the fascinating and often disturbing portrayal of Native American women in film M Elise Marubbio examines the sacrificial role in which a young Native woman allies herself with a white male hero and dies as a result of that

choice In studying thirty four Hollywood films from the silent period to the present she draws upon theories of colonization gender race and film studies to ground her analysis in broader historical and sociopolitical context and to help answer the question What does it mean to be an American The book reveals a cultural iconography embedded in the American psyche As such the Native American woman is a racialized and sexualized other A conquerable body she represents both the seductions and the dangers of the American frontier and the Manifest Destiny of the American nation to master it **The Cinema of**

Stephanie Rothman Alicia Kozma,2022-09-20 The rare woman director working in second wave exploitation Stephanie Rothman b 1936 directed seven successful feature films served as the vice president of an independent film company and was the first woman to win the Directors Guild of America s student filmmaking prize Despite these career accomplishments Rothman retired into relative obscurity In The Cinema of Stephanie Rothman Radical Acts in Filmmaking author Alicia Kozma uses Rothman s career as an in depth case study intertwining historical archival industrial and filmic analysis to grapple with the past present and future of women s filmmaking labor in Hollywood Understanding second wave exploitation filmmaking as a transitory space for the industrial development of contemporary Hollywood that also opened up opportunities for women practitioners Kozma argues that understudied film production cycles provide untapped spaces for discovering women s directorial work The professional career and filmography of Rothman exemplify this claim Rothman also serves as an apt example for connecting the structure of film histories to the persistent strictures of rhetorical language used to mark women filmmakers and their labor Kozma traces these imbrications across historical archives Adopting a diverse methodological approach The Cinema of Stephanie Rothman shines a needed spotlight on the problems and successes of the memorialization of women s directorial labor connecting historical and contemporary patterns of gendered labor disparity in the film industry This book is simultaneously the first in depth scholarly consideration of Rothman the debut of the most substantive archival materials collected on Rothman and a feminist political intervention into the construction of film histories [A Companion](#)
