Messages from Heaven Patricia Kirmond, 2020-02-10 What is heaven really like A recently departed soul speaks from heaven about his experiences on the other side The unseen author of this book tells us of life's true purpose and urges us to make the most of our sojourn on earth He warns us that we are fast approaching a turning point which could lead to an age of enlightenment and peace or to a future none of us wants to see If we act now we can still turn things around but we need help from heaven I have witnessed so many beautiful and amazing events on this side However I believe that my greatest opportunity is to urge you to see what you have where the planet is headed without intervention and how you can make a difference I feel an urgency to help people recognize the signs of the times This story of a soul's life after death will change the way you look at life and death The Story King Matt Mikalatos, 2021-06-08 In the third and final installment in the Sunlit Lands series the magic of the Sunlit Lands has been reset but that doesn't mean all is well Unrest and discord are growing by the day and Hanali is positioning himself as ruler of the Sunlit Lands But in order for Hanali to seize control there must be a sacrifice one that very few are willing to make Jason Shula Bailey and others must work together to save the lives of those Hanali would sacrifice for his own gain *Spiritual Messages of the Miracle Stories* George Henry Hubbard, 1922
