Magic Time Angelfire:

Magic Time Barbara Hambly, Marc Scott Zicree, Maya Kaathryn Bohnhoff, 2001 **Magic Time: Angelfire** Marc Zicree, Maya Kaathryn Bohnhoff, 2024-04-16 The world has changed forever Across America technology has been eclipsed by magic and people are changing into the embodiments of their darkest desires and deepest fears In this new time former lawyer Cal Griffin has united a small group of outcasts to battle the chaos Searching for the source of the unholy phenomenon and to save Cal's sister Tina these unlikely heroes make their way cross country led by the visions of a lunatic and the fragile song of a blind man Hidden within ancient burial mounds a secret paradise may offer the chance of hope if they can find Tina But first they must make their way to Chicago to battle a primal monster and the darkness within themselves **Magic Time: Ghostlands** Marc Zicree, Robert Charles Wilson, 2024-04-16 In an altered America where machines no longer work and magic holds sway former lawyer turned visionary leader Cal Griffin guides his small band on a quest toward the Source of the Change following a trail he hopes will reunite him with his abducted sister Christina transformed into one of the powerful enigmatic beings called flares Armed with little more than compassion and a determination to heal the world Cal the warrior Colleen Brooks Russian physician Doc Lysenko and bipolar street wizard Herman Goldie Goldman encounter old foes and new friends in a landscape of unimaginable beauties and magnificent horrors forced to confront the frightful secrets of an emissary from a dread region and to trust in a brilliant triumvirate of grad students who could get things running again at a terrible cost as the final moves in humankind's ultimate nightmare are played out in the depths of the Ghostlands Angel Fire East Terry Brooks, 2001-01-18 That is Brooks way of casting spells transporting his readers into plausible realms where sorcery is alive whether those places are in other ages or right in the middle of our own As a result he's reaped more than a few magical moments Seattle Times As a Knight of the Word John Ross has struggled against the dark forces of the Void and his minions for twenty five years The grim future he dreams each night a world reduced to blood and ashes will come true unless he can stop them now in the present The birth of a gypsy morph a rare and dangerous creature that could be an invaluable weapon in his fight against the Void brings John Ross and Nest Freemark together again Twice before with the fate of the world hanging in the balance the lives of Ross and Nest have intersected Together they have prevailed But now they will face an ancient evil beyond anything they have ever encountered a demon of ruthless intelligence and feral cunning As a firestorm of evil erupts threatening to consume lives and shatter dreams they have but a single chance to solve the mystery of the Gypsy morph and their own profound connection Superior to most of the fantasy fiction being published today Rocky Mountain News *The Angel's Fire* Holley Trent, 2020-10-03 In sixteenth century Central America the goddess La Bella Dama witnessed the explosion of a slave ship off the coast Hundreds of years later she's still running from what she did in the aftermath A rare moment of softness for some of the nearly dead compelled her to make a deal with the devilish fallen angel responsible for the disaster The women got a second chance but

now their descendents have caught up to her and want her to mend her sloppy work And if she doesn't She and her little family in Maria will never have another moment of rest She's no longer a creature who wants to be worshiped She'll never be normal but as Lola Perez she enjoys the peace of blending in Her long ago collaborator Tarik thinks satisfying the angriest amongst the women in El Culto will be simple enough just give them a little more magic and let them rejoin their sisters in Mexico But Tarik's going to have to fix quell the uproar on his own Lola decided a long time ago that there's comfort in the status quo That's why she's been refusing his advances for the past five hundred years They get along like fire and gasoline and he's the only creature she's ever encountered who can make her heart race While they may be uniquely equipped to withstand each other's heat Lola's not ready to commit to him She was humiliated by a lover once before and proved there's nothing more reckless than a goddess scorned **Angel Fire** J.E. Taylor,2018-05-29 In the aftermath of his wife's death Tom Ryan cannot breathe when his three year old daughter Hannah is out of his sight His over protectiveness falls into the realm of paranoia born from the fear that Lucifer is not done with him yet When that same apprehension manifests in his daughter he realizes he needs to deal with his issues before his terror poisons Hannah's innocence Just when he manages to get a grip on his separation anxiety his worst nightmare comes to fruition Desperate to save Hannah from the devil's grip Tom will do just about anything to get her back even if it means the ultimate act of betrayal Contemporary Authors Gale Group,2003-05 A biographical and bibliographical guide to current writers in all fields including poetry fiction and nonfiction journalism drama television and movies Information is provided by the authors themselves or drawn from published interviews feature stories book reviews and other materials provided by the authors publishers **Mr. Twilight** Michael Reaves,Maya Kaathryn Bohnhoff,2006-09-26 Mr Twilight combines the mystical and the mysterious the supernatural and the primitive in a rich steamy brew of otherworldly adventure In bookshop specializing in rare volumes an avid fan of horror fiction seizes a tome too valuable and too incredible to fathom In the end the man was too curious to live A few miles away in a Manhattan brownstone another man learns about the explosion that left a gaping hole in the fabric of reality Colin he has no other name has been an unrelenting warrior against the dark the demonic and the damned A man who has angels at his side and hell staring him in the face he has devoted his life to solving magical crimes and tracking down and neutralizing the perpetrators of those crimes human and nonhuman alike Now Colin is about to team up with a beautiful Native American a long way from home and a tough NYPD detective who seems to be immune to magic Together in a funhouse of evidence and apparitions they are chasing a killer and untangling a tale that leads from the infamous Vlad the Impaler to a dead twentieth century occult author and his gorgeous daughter who is as seductive as the devil himself *Angel Fire (Fallen Angels - Book 1)* Valmore Daniels,2011-01-20 My name is Darcy Anderson and I am cursed with a dark power Whenever my life is in danger something inside me summons elemental fire to protect me I cannot control this One night I was attacked in my home The fire it raged out of control I survived the inferno but my house burned to the ground with my parents inside I was at a loss to
