International Sport Richard William Cox,2004 There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new MY METEORIC RISE TO OBSCURITY Arnold Kane, I was fortunate to work with some of the biggest stars in show business People such as John Wayne Lucy Dick Van Dyke Mary Tyler Moore George Burns Jack Benny Cher Hal Holbrook Jaime Farr Rob Reiner Sharon Gless Anne Francis Jack Lemmon and more Many of them were dolls a few were putzes I also got to know lots of studio and network bosses some creative most dumb as a doorknob I earned a heck of a good living during those fifty years No regrets Since this is my book I intend to tell the truth about me and the people I met during my journey I have no intention to purposely hurt or be ugly about anyone However I am honest about the people I mention in this book My praise and gratitude might embarrass some of my friends and co workers but they will get over it If some of the people think I was too rough or made them out as monsters so be it They ll get over it too **Photographing Sports** Massimo Cappon,Italo Zannier,1981
