Magic Rattle:

The Anthropology of Magic Susan Greenwood, 2020-05-28 Magic is arguably the least understood subject in anthropology today Exotic and fascinating it offers us a glimpse into another world but it also threatens to undermine the foundations of anthropology due to its supposed irrational and non scientific nature Magic has thus often been explained away by social or psychological reduction The Anthropology of Magic redresses the balance and brings magic as an aspect of consciousness into focus through the use of classic texts and cutting edge research Suitable for student and scholar alike The Anthropology of Magic updates a classical anthropological debate concerning the nature of human experience A key theme is that human beings everywhere have the potential for magical consciousness Taking a new approach to some perennial topics in anthropology such as shamanism mythology witchcraft and healing the book raises crucial theoretical and methodological issues to provide the reader with an engaging and critical understanding of the dynamics of magic Join the live discussion on Facebook

The House with the Magic Cellar Garza, 2006-08 Twelve year old Angela and thirteen year old Tony are neighbors and best of friends who have a penchant for getting into trouble While playing in Angela s creepy basement one day they discover a secret portal that leads them to a magical world beyond their wildest imaginings In this new and exciting realm they train to become wizards meeting an eclectic cast of characters along the way But even in this place Angela and Tony become embroiled in mischief After all what kid wouldn t want the power to transform into a beastly dragon or the ability to command any inanimate object to fly across the room As the two become enveloped in the realm of mysterious creatures and beings they must face a cruel and evil wizard who plans to overtake the magical world Can Angela and Tony defeat him before the wizard destroys everything they ve come to love
