night and her life are about to be changed forever. As Tillie stares dreamily through her window, a sudden flash of light catches her attention, and she realizes the light was caused by a bird streaking through the sky. Coming to her, Tillie discovers she can talk with the bird. In a rush to get closer to the bird, Tillie goes outside clutching her letter to Santa. Before she knows it, the bird snatches her letter and flies away. It isn't long before the bird returns, however. And when he does, he brings friends. In the middle of the night, long after Tillie has fallen asleep, the stars descend toward Tillie's house. As they get closer, the stars become glittering angels, and beyond them is someone very special to Tillie. Behind the angels is Santa, and he needs her help. Tillie's Magical Christmas Ride is an enchanted tale about one girl's magical Christmas Eve as Santa's Little Helper, infused with both the magic of myth and the glory of Jesus's birth. Tillie's adventure inspires not only children's but also adults' sense of adventure and reminds us of the true meaning of Christmas.

My Magical Christmas Dream of the Marshmallow Martians

Alec Alexander, 1999-11 **"Night of Terror"** Jean Marie Rusin, 2008-02-04 At a point you have to let go and trust your kids to take care of themselves. What's the worst that can happen right? So when Tom and his wife leave their daughters to fend for themselves while they go out for nice dinner alone, their worst fear is that girls will burn their pizza rolls or eat too much junk food. It's not what the girls are eating that should have them worried, but what might eat them. Liz and Janet and Kelly think their biggest problem will be getting along with each other and keeping themselves amused, but when their dog Lucky begins barking furiously at the window, they get their first clue that this night may harbor something sinister. Little do they know the night of terror which lies ahead of them. Now with the Police on a manhunt for killer cannibals and a freak chemical spill in the area, the forces of horror are about to descend upon the town. Unimaginable nightmares are gathering on the streets. Eerie sounds and far off screams give the girls scant warning that they are in for the night and the fight of their lives. Fan of horror will turn a new page of action, adventure, and terror as author Jean Rusin treats them to her grisly take on home alone in her newest tale, Night of Terror. Lock your doors, turn on the nightlight, and pray that you live to see the morning sun.
