William Henry Davenport Adams, 1864 **The Magician's Wife** James Mallahan Cain, 1965 Clay Lockwood a business executive falls in love with an irresistably sensual girl named Sally Alexis the wife of a professional magician But love from the pen of this author whom Albert Camus admired is written in blood and the blood in this case is that of Sally's husband the magician who is to be murdered The illusion of life is as strong in this shocking novel as the illusions of Alexis the magician speeding his mistress across the wire contraption at the top of his night club Locked in a violent love hate relationship with Sally Clay is further confounded by the presence of a fourth character Sally's own mother who does not know which she wants more to save her daughter or to win Clay Lockwood for herself Dust jacket flap *Irfan Faqeer Noor*

Muhammad, 2021-01-04 Intentionally or otherwise the world today is engulfed in a strange intellectual strife and insoluble mental enigma To overcome this conflict we must take practical steps toward creating a true conception of God in the minds of the people and to impress on their memories the necessity of religion enabling religion and spiritualism to attain once more the preeminence that they previously enjoyed In pursuit of that renaissance of religion Irfan presents the exposition of two secret rare and closely guarded sciences and offers a vivid description of their philosophy The first focuses on knowledge of concentration on the personal name of God Allah centralizing human thought and occult spiritual energies on one point to attain willpower and spiritual strength The second invokes the inmates of the graves calling on departed souls for wisdom Irfan demonstrates that humanity's worldly life is not everything rather there is a world after death and dying is just a part of life It seeks to remove the fear of death and reveal it to be a beloved entity Written by Faqeer Noor Muhammad in the early twentieth century this spiritual study provides a valuable compendium and unique record of religion spiritualism and the secrets of Sufiism **The Sphinx**, 1924
