Sabbat Essentials explore the old and new ways of celebrating the seasonal rites that are the cornerstones of the witch's year

Dancing the Sacred Wheel Frances Billingham, 2019-03-25 There are eight seasonal festivals referred to as sabbats that make up the Wheel of the Year. Dancing the Sacred Wheel draws on the author's own personal experience of following a traditional Pagan spiritual path and creating ritual over 20 years in southern Australia. Combining traditional Pagan lore with history in order to develop a relationship with her local environment, the author also offers invaluable pointers as to how to incorporate the localised elements into something that also provides a traditional feel. Dancing the Sacred Wheel not only provides an in-depth look at the folklore and myth associated with each sabbat but also discusses ways of creating specific rituals and observances that acknowledge each seasonal gateway when the local environment is reflecting something completely different. Dancing the Sacred Wheel challenges the reader regardless of which hemisphere they reside to draw inspiration from their environment and to create their own unique Wheel of the Year.

Magickal Connections Lisa McSherry, 2007-02-16 Finding the right magickal community is an important part of exploring our magickal selves. Whether that is a single mentor or a thriving spiritual community coming together with others can form the foundation of a dynamic spiritual life. But just meeting regularly does not make a healthy spiritual group, nor does a simple desire to pass on the hard-won knowledge privately gained. What makes a healthy spiritual group? How do we find one or make one? Magickal Connections explores the nature of a magickal group's dynamics from its inception to its dissolution, offering practical advice for people at any stage of a group's life cycle. Potential leaders are guided through the transition from participant along with sensible exploration of their motivation for this change. With no nonsense direction about the hows and whats of the mentoring relationship, expectations can be clarified at the outset. With its frank discussion of the politics of working within a group, Magickal Connections is useful for all members of a group, no matter their role.

Celtic Cycles Ann Loomis, 2014-05 Celtic Cycles: Guidance from the Soul on the Spiritual Journey realigns the soul's wisdom with the rhythms and creatures of the natural world. As with some animals, the soul is in danger of extinction if we do not find a way to listen to its guidance. Writings of Carl Jung on the feminine principle illuminate our understanding of the soul and bring clarity to the conversation. What sets Celtic Cycles apart from other books on the Celtic tradition is the

addition of the chakra system to the eight Celtic celebrations In this way the various levels of the soul body are honored as a vessel of spiritual wisdom The colors of the rainbow spectrum enliven the bodies and contribute to healing at the soul level In each ritual section you will learn how to use a guided meditation write a dialogue with a spirit animal interact with a fairy tale set up an altar and create affirmations Formatted in workbook style Celtic Cycles is designed to lead you on a spiritual journey that comes from the guidance of your soul
