Dreams of a Dark Warrior Kresley Cole, 2011-03-03 A ruthless Norse warrior will defeat anything standing between him and his beautiful obsession even Death itself A millennium ago Aidan the Fierce lost his heart to the Valkyrie Regin the Radiant but he was murdered before he could win her Since then he has reincarnated into different identities with his memory of the past buried deep This time he has returned as Declan Chase a human soldier bent on exterminating all immortals including Regin his newest captive The proud Northman that Regin still mourns has been replaced by a twisted madman Once tortured by immortals Chase now metes out vengeance against them and he is fixated on her Regin's only hope is to make him remember her though she knows that whenever he recovers his memories history will repeat itself and he'll be lost to her again *The Lost Princess* Anne E. Duggan, 2023-09-12 Once upon a time the forgotten female fabulists whose heroines flipped the fairy tale script People often associate fairy tales with Disney films and with the male authors from whom Disney often drew inspiration notably Charles Perrault the Brothers Grimm and Hans Christian Andersen In these portrayals the princess is a passive compliant figure By contrast *The Lost Princess* shows that classic fairy tales such as Cinderella Rapunzel and Beauty and the Beast have a much richer more complex history than Disney's saccharine depictions Anne E Duggan recovers the voices of women writers such as Marie Catherine d'Aulnoy Marie Jeanne L'Héritier and Charlotte Rose de La Force who penned popular tales about ogre killing pregnant cross dressing dynamic heroines who saved the day This new history will appeal to anyone who wants to know more about the lost plucky heroines of historic fairy tales *Queer Enchantments* Anne E. explaining the disappearance of this medieval institution rather than seeking to understand it This book highlights the extreme cultural social significance of slavery for the societies of medieval Britain and Ireland c 800 1200 Concentrating upon the lifestyle attitudes and motivations of the slave holders and slave raiders it explores the violent activities and behavioural codes of Britain and Ireland s warrior centred societies illustrating the extreme significance of the institution of slavery for constructions of power ethnic identity and gender **Art and Archaeology** ,1920
