Maigret A Lecole:

Maigret Goes to School Georges Simenon, 2018-01-02 A writer as comfortable with reality as with fiction with passion as with reason John Le Carr Inspector Maigret becomes entangled in the dramas of a small town on his quest to solve the murder of their former postmistress Maigret is called from his usual duties in Paris to investigate a murder in a small village located close to La Rochelle A local postmistress has been killed and suspicion has fallen on the local schoolmaster When Maigret gets there he discovers a very inward looking community of people who hated the victim because she knew all their secrets Maigret must determine if one of those secrets was enough to make someone into a killer Maigret's World Murielle Wenger, Stephen Trussel, 2017-09-13 Georges Simenon's 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself Simenon Stanley G. Eskin, 2025-03-05 The most comprehensive account of Georges Simenon's life and work in either English or French from his youth and adolescence in Belgium through his spirited beginnings as a writer of pulp fiction in the Paris of the 20s his invention of Maigret in 1930 his turn to straight fiction in the 30s and from the 40s on his prolific output of detective and straight fiction His obsession with women and his major friendships Jean Renoir Charlie Chaplin Thornton Wilder and others are detailed Also critical evaluations of his fiction including the largely ignored pulp fiction Simenon's relationship to popular traditions literature detective fiction high literature and the critics are offered The photographs are rare and revealing e.g. with Josephine Baker cutting up in a bistro
