The Roots of Jewish Consciousness, Volume One Erich Neumann, 2019-04-24 The Roots of Jewish Consciousness Volume One Revelation and Apocalypse is the first volume fully annotated of a major previously unpublished two part work by Erich Neumann 1905 1960 It was written between 1934 and 1940 after Neumann then a young philosopher and physician and freshly trained as a disciple of Jung fled Berlin to settle in Tel Aviv He finished the second volume of this work at the end of World War II Although he never published either volume he kept them the rest of his life The challenge of Jewish survival frames Neumann s work existentially This survival he insists must be psychological and spiritual as much as physical In Volume One Revelation and Apocalypse he argues that modern Jews must relearn what ancient Jews once understood but lost during the Babylonian Exile that is the individual capacity to meet the sacred directly to receive revelation and to prophesy Neumann interprets scriptural and intertestamental apocalyptic literature through the lens of Jung s teaching and his reliance on the work of Jung is supplemented with references to Buber Rosenzweig and Auerbach Including a foreword by Nancy Swift Furlotti and editorial introduction by Ann Conrad Lammers readers of this volume can hold for the first time the unpublished work of Neumann with useful annotations and insights throughout These volumes anticipate Neumann s later works including Depth Psychology and a New Ethic The Origins and History of Consciousness and The Great Mother His signature contribution to analytical psychology the concept of the ego Self axis arises indirectly in Volume One folded into Neumann s theme of the tension between earth and YHWH This unique work will appeal to Jungian analysts and psychotherapists in training and in practice historians of psychology Jewish scholars biblical historians teachers of comparative religion as well as academics and students *Rationalising the Bible — Volume 1* Ivy Bedworth, 2016-02-28 Rationalising the Bible is a collection of volumes that cover the books of the Old and New Testaments of the Holy Bible Written by mostly unidentified authors the Bible is generally attributed with being the moral compass of the world of Judeo Christian religious adherents In fact the Bible is mostly mythological history inaccurate science exaggerated reports of violence and discrimination against the people who settled the Fertile Crescent and a set of laws plagiarised from those already in existence in the area Even the writing of it claimed to be that of the patriarchs can clearly be identified in the reading of it as belonging rather to a period when all people in the civilised world were writing their stories It was not written as atheists often charge by illiterate nomadic tribespeople in pre history Instead it was written by politicians and priests at a time when the western civilisations were making their mark on the world s politics **Cultures of the Jews, Volume 1** David Biale, 2006-01-10 Scattered over much of the world throughout most of their history are the Jews one people or many How do they resemble and how do they differ from Jews in other places and times What have their relationships been to the cultures of their neighbors To address these and similar questions some of the finest scholars of our day have contributed their insights to Cultures of the Jews a winner of the National Jewish Book Award upon its hardcover publication

in 2002 Constructing their essays around specific cultural artifacts that were created in the period and locale under study the contributors describe the cultural interactions among different Jews from rabbis and scholars to non elite groups including women as well as between Jews and the surrounding non Jewish world What they conclude is that although Jews have always had their own autonomous traditions Jewish identity cannot be considered the fixed product of either ancient ethnic or religious origins Rather it has shifted and assumed new forms in response to the cultural environment in which the Jews have lived Mediterranean Origins the first volume in Cultures of the Jews describes the concept of the People or Nation of Israel that emerges in the Hebrew Bible and the culture of the Israelites in relation to that of neighboring Canaanite groups It also discusses Jewish cultures in Babylonia in Palestine during the Greco Roman and Byzantine periods and in Arabia during the formative years of Islam *The Universal Jewish Encyclopedia ...* Isaac Landman, Simon Cohen, 1941 *History of the Christian Church Volume 1* , **The Collected Works of Samuel Taylor Coleridge, Volume 1** Samuel Taylor Coleridge, 2015-03-08 Coleridge began in 1795 a series of public lectures This volume includes all the printed and manuscript versions of the Bristol lectures in chronological sequence Among the contents are Lectures on Revealed Religion Its Corruption and Its Political Views and Lecture on the Slave Trade Originally published in 1971 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Christ In Type and Prophecy: Volumes 1 & 2 Rev. A. J. Maas S. J., Aeterna Press, When St Luke tells us Acts 11 26 that at Antioch the disciples were first named Christians he implies that they were Christians before they bore the name If Christian means a believer in Christ all that have ever believed in the Messiah the Hebrew equivalent for Christ have been Christians And since there is no other name under heaven given to men whereby we must be saved Acts 4 12 all that have been saved from Adam to Noe from Noe to Abraham from Abraham to Moses from Moses to Jesus Christ and from Jesus Christ to our own day have been Christians or believers in the Messiah Aeterna Press **Commentary on the Holy Scriptures** John Peter Lange, 1886 *The law and the prophets.
