Understanding Alain Robbe-Grillet Roch C. Smith, 2000 Transforming bewilderment into understanding and pleasure while preserving a sense of Robbe Grillet s considerable richness and complexity Smith elucidates the defining elements of the writer s fictional world characters that barely exist changeable narrators plots that defy logic notoriously meticulous descriptions that never quite form a complete story Smith examines Robbe Grillet s embrace of discontinuity circularity indeterminacy and linguistic play Smith also poses questions about how we should view this perplexing writer as an author of hyperobjective novels and short stories a subjective novelist a realist or a writer who undermines the narrative s claim to represent reality In addition Smith evaluates the sado erotic imagery of Robbe Grillet s middle and late novels as a metaphorical play with textual and social conventions

Exposure Kathryn Banks, Joseph Harris, 2004 The notion of exposure underlies much modern thinking about identity representation ethics desire and sexuality This provocative notion is explored in a collection of essays selected from and inspired by the proceedings of a conference held in the Department of French at the University of Cambridge in 2002 The authors engage with exposure as both object and mode of representation in a range of cultural media literature critical theory visual art and film They analyse a variety of works from the medieval early modern and modern periods examining not only canonical texts such as Montaigne's *Essais* but also lesser studied works such as the psychoanalytic theory of Didier Anzieu the photomontage self portraits of Claude Cahun and the novel *La Nouvelle Pornographie* by Marie Nimier This volume thus both illustrates and more importantly interrogates the richness of the term exposure in a way that is stimulating for students and researchers alike
