**Behind the Scenes with the Mediums** David Phelps Abbott, 1916      Hartmann's Who's who in Occult, Psychic and Spiritual Realms...in the United States and Foreign Countries ,1927      Sons And Daughters Of Los David James, 2003-02-27

Los Angeles A city that is synonymous with celebrity and mass market culture is also according to David James synonymous with social alienation and dispersal In the communities of Los Angeles artists cultural institutions and activities exist in ways that are often concealed from sight obscured by the powerful presence of Hollywood and its machinations In this significant collection of original essays *The Sons and Daughters of Los* reconstructs the city of Los Angeles with new cultural connections Explored here are the communities that offer alternatives to the picture of L A as a conglomeration of studios and mass media Each essay examines a particular piece of or place in Los Angeles cultural life from the Beyond Baroque Poetry Foundation the Woman s Building to Highways and LACE as well as the achievements of these grassroots initiatives Also included is critical commentary on important artists including Harry Gamboa Jr and others whose work have done much to shape popular culture in L A The cumulative effect of reading this book is to see a very different city take shape one whose cultural landscape is far more innovative and reflective of the diversity of the city s people than mainstream notions of it suggest *The Sons and Daughters of Los* offers a substantive and complicated picture of the way culture plays itself it out on the smallest scale in one of the largest metropolises on earth contributing to a richer more textured understanding of the vibrancy of urban life and art
