messages of the most Blessed Virgin Mary *The Virgin of El Barrio* Kristy Nabhan-Warren, 2005-05-01 In 1998 a Mexican American woman named Estela Ruiz began seeing visions of the Virgin Mary in south Phoenix The apparitions and messages spurred the creation of Mary's Ministries a Catholic evangelizing group and its sister organization ESPIRITU which focuses on community based initiatives and social justice for Latinos as Based on ten years of participant observation and in depth interviews The Virgin of El Barrio traces the spiritual transformation of Ruiz the development of the community that has sprung up around her and the international expansion of their message Their organizations blend popular and official Catholicism as well as evangelical Protestant styles of praise and worship shedding light on Catholic responses to the tensions between popular and official piety and the needs of Mexican Americans **Final Harvest** Wayne Weible, 2002 For more than two decades the Blessed Virgin Mary has reportedly appeared daily in apparition to six Croatian youths in the rural village of Medjugorje in Bosnia Hercegovina This incredible event began in June 1981 and continues to the present The stated objective is to bring the people of the world back to God The apparitions are elevated in drama and urgency as the Virgin reveals that these will be her formal apparitions on earth because as she adds it will no longer be necessary The past two centuries have been described as the darkest in human history Revolutions fueled by humanism with a singular hatred of religion have led to an erosion of moral law world wars the edipemic of abortion and world wide acts of terrorism Yet the Blessed Virgin is sent by heaven with a message of hope for those who will listen In the FINAL HARVEST Wayne Weible the most popular chronicler of the phenomenon updates the events of Medjugorje and ties them to the Virgin's past apparitions at La Salette and Fatima Meticulously researched and analyzed the author gently urges the reader on a spiritual pathway that leads to wanting to be part of this incredible harvest of souls He does so with a fresh perspective and an intriguing sense of what is still to come **Be Not Afraid to Follow the Footprints from Heaven** John Carpenter, 2016-07-21 Does God really exist Is there really any evidence for that Can science prove that the Communion wine and bread actually turn into the flesh and blood of Jesus Christ Does the Shroud of Turin validate the mystical resurrection of Christ through careful expert scrutiny How can statues weep real human tears How can the bodies of deceased holy persons not decay for centuries What are angels and what roles do they play Want to hear how Heaven and Hell are described And historically hundreds of people worldwide have documented appearances by the Virgin Mary This just cannot be real or is it Psychiatric therapist John Carpenter takes you where few researchers have gone before Like a logical detective amassing the supernatural evidence for your consideration he presents historical accounts and miraculous events along with recent medical and scientific research to develop a credible and stunning conclusion His evidence may bring you to a refreshing new spiritual awareness at a time when doubt distraction materialism violence and self indulgence seem prevalent The implications are both joyful and chilling as Carpenter slowly seduces the reader into following him through the labyrinth of divine mysteries created by those footprints from heaven Be not afraid to take this journey and discover the Truth that could change your life
