Final Harvest Wayne Weible, 2002 For more than two decades the Blessed Virgin Mary has reportedly appeared daily in apparition to six Croatian youths in the rural village of Medjugorje in Bosnia Hercegovina This incredible event began in June 1981 and continues to the present The stated objective is to bring the people of the world back to God The apparitions are elevated in drama and urgency as the Virgin reveals that these will be her formal apparitions on earth because as she adds it will no longer be necessary The past two centuries have been described as the darkest in human history Revolutions fueled by humanism with a singular hatred of religion have led to an erosion of moral law world wars the edipemic of abortion and world wide acts of terrorism Yet the Blessed Virgin is sent by heaven with a message of hope for those who will listen In the FINAL HARVEST Wayne Weible the most popular chronicler of the phenomenon updates the events of Medjugorje and ties them to the Virgin's past apparitions at La Salette and Fatima Meticulously researched and analyzed the author gently urges the reader on a spiritual pathway that leads to wanting to be part of this incredible harvest of souls He does so with a fresh perspective and an intriguing sense of what is still to come *The Message of Medjugorje* Mark I. Miravalle, 1986 Through concise theological analyses this book demonstrates that the messages reported by seven Yugoslavian youths from Medjugorje and attributed to the Blessed Virgin Mary represent an authentic embodiment of Catholic doctrine The contents of the Medjugorjien message are also said to represent a post Conciliar formulation of the approved Marian messages
