and can she find the strength inside herself to save them all Cindy Dees is the New York Times and USA Today bestselling author of over 100 novels and creator executive producer of an upcoming thriller television series She draws upon her experience as a U S Air Force pilot to create intense suspense and love on the edge of danger Lovers of Dees high stakes fast paced action will find exponentially increasing tension in each scene and pulse pounding adventure that will keep readers enthralled RT Book Club Reviews

**A Manual of Dynamic Play Therapy** Dennis McCarthy, 2012-02-15 Children experience growth and change throughout their lives This book explains how this reorganising process can be used in play therapy to help children dealing with social neurological developmental health and family issues Theory and examples are used to show how to apply the practice with a range of clients

**Ludics and Laughter as Feminist Aesthetic** Jennifer Gustar, Caleb Sivyer, Sarah Gamble, 2021-01-20 Angela Carter s provocations to laughter and her enchantment with ludic narrative strategies are two key aspects of her aesthetic practice neither of which has been the focus of sustained study Ludics and Laughter as Feminist Aesthetic Angela Carter at Play responds to this lacuna in Carter criticism This international collection of eleven essays from acclaimed Carter scholars and emerging voices in the field of Carter studies seeks to reclaim play as a serious undertaking for feminist writing and scholarship and to foreground laughter as a potent affect While Carter s work turned to comedy in the later years from the first publication in 1966 until her last in 1992 her fiction poetry and journalism engaged in sharp social and cultural critique she habitually engaged this critique through ludic structures and wickedly funny narratives that challenged conventional norms and ways of thinking Contributors explore the diverse ways in which Carter compelled a complex and often uneasy laughter by means of a controversial aesthetic that merges a persistently ludic sensibility with a biting intransigent wit This volume draws on theories of play surrealism feminism as well as studies of feminist humour and Carter s own journals and diaries to reveal the ways in which her work moves readers towards the unexpected This volume will be of relevance both to scholars of Carter s work and of feminist humour more generally as well it will be of interest to students and general readers of Carter s fiction journalism and poetry

Gorgon Child Steven Barnes, 2018-11-07 IN THE NIGHTMARE FUTURE OF THE TWENTY FIRST CENTURY ONLY THE STRONGEST SURVIVE Raised on the streets of a devastated twenty first century torn by plagues riots and social decay Aubry Knight was trained to be a lethal killing machine Betrayed by those who created him he survived a living hell to become a new kind of hero strong enough to confront evil yet caring enough to save a world But now a fanatical religious leader plots to enslave the nation and tampers with the sanctity of life itself To save America from tyranny Aubry Knight must battle an inhuman army of super soldiers and confront the terrors of his own past

Solar Bones Mike McCormack, 2017-09-12 Longlisted for the 2017 Man Booker Prize Winner of the Goldsmiths Prize Winner of the Bord Gáis Energy Irish Book Awards Novel of the Year An Irish Times Book Club Choice With stylistic gusto and in rare spare precise and poetic prose Mike McCormack gets to the music of what is happening all around us One of the best novels of the year Colum McCann author of Let the Great

World Spin and TransAtlantic Solar Bones is a masterwork that builds its own style and language one broken line at a time the result is a visionary accounting of the now A vital tender death haunted work by one of Ireland s most important contemporary writers Solar Bones is a celebration of the unexpected beauty of life and of language and our inescapable nearness to our last end It is All Souls Day and the spirit of Marcus Conway sits at his kitchen table and remembers In flowing relentless prose Conway recalls his life in rural Ireland as a boy and man father husband citizen His ruminations move from childhood memories of his father s deftness with machines to his own work as a civil engineer from transformations in the local economy to the tidal wave of global financial collapse Conway s thoughts go still further outward to the vast systems of time and history that hold us all He stares down through the vortex of his being surveying all the linked circumstances that combined to bring him into this single moment and he makes us feel if only for an instant all the terror and gratitude that existence inspires

**Storm's Heart** Thea Harrison,2011-08-02 Able to wield thunder and lightning wyr sentinel Tiago Black Eagle has ruled the skies for centuries His massive build and thunderous power make him one of the wyr s best weapons And he s the one sent to protect Tricks heir to the Dark Fae throne when she s almost assassinated in Chicago Soon Tiago and Tricks will fall prey to the stormy hunger that engulfs them a passion that will shake the very foundation of all the worlds

**Medusa - Through the eyes of the Gorgon** Skevi Philippou,2013-07-05 Mythology retold Medusa s vicious claws ready to strike Perseus as he swoops his curved sword towards her neck Her glowing green eyes clearly see her pivotal moments on this earth a beautiful baby taken in by a mortal family who loved her so an innocent childhood and the peaceful days of priestess training But the rage and regret of a thousand murders will never leave her soul as she places the blame directly on Poseidon s lustful attack on her innocence and on Athena s sordid punishment

immortality as a hideous Gorgon Medusa knows that her death will be a rebirth and Perseus is merely the pawn a calculated risk towards a greater existence

*Young Child Observation* Simonetta M.G. Adamo,Margaret Rustin,2018-04-24 Observing young children at play is an everyday and often fascinating and pleasurable experience for many of us It also has a great pedigree in the development of psychoanalysis from Freud s observation of his grandson s game with the cotton reel onwards This book describes the practice of observing young children in home and nursery settings in a systematic and non intrusive way in order to expand our understanding of their emotional cognitive and social development It uses a psychoanalytic lens to enrich the meaning of what is seen How do minds and personalities take shape How can we train people to see what is most relevant in helping children to develop The chapters range from classic papers by famous practitioners of an older generation to observations completed in recent years in the UK Europe and the US Observation of this sort has also spread to Latin America India Australia Africa and the Far East The differences and continuities with Infant Observation are the starting point

*Women and Children First* Sharon M. Meagher,Patrice DiQuinzio,2012-02-01 This diverse collection explores the rhetoric of a wide range of public policies that propose to put women and children first including homeland

security school violence gun control medical intervention of intersex infants and policies that aim to distinguish good from bad mothers Using various feminist philosophical analyses the contributors uncover a logic of paternalistic treatment of women and children that purports to protect them but almost always also disempowers them and sometimes harms them This logic is widespread in contemporary popular policy discourse and affects the way that people understand and respond to social and political issues Contributors rethink basic philosophical assumptions concerning subjectivity difference and dualistic logic in order to read the rhetoric of contemporary public policy discourse and develop new ways of talking and acting in the policy domain

**Only-Child Experience and Adulthood** B. Sorensen, 2008-02-27 This book examines only child experience in global perspective and offers an insight into the dilemmas and challenges only children face as adults Explored from both a social and psychological perspective it reveals the complexity and multidimensional nature of the private and public worlds of the only child *The Publishers Weekly*, 1965 *Medusa in the Graveyard* Emily

**Grades K-6** Mary Soto, David E. Freeman, Yvonne S. Freeman, 2019-12-20 Plain and simple until our English learners have equitable access to the curriculum they'll continue to struggle with subject area content. And if you're relying on add-ons to fit in from your language arts basal or a supplementary program, Mary Soto, David Freeman, and Yvonne Freeman are here to equip you with much more effective, efficient, and engaging strategies for helping your English learners read and write at grade level. One assurance right from the start: Mary, David, and Yvonne are not suggesting you reinvent your curriculum. Instead, *Equitable Access for English Learners, Grades K-6* focuses on how to fortify foundational practices already in place. First, you'll learn more about the Equitable Access Approach, then it's time to dive into the book's four units of study. Drawing on each unit's many strategies, you'll discover how to apply them to any unit in your own language arts curriculum and start differentiating. How to draft and implement language objectives to help English learners meet academic content standards. How to make instructional input comprehensible, including translanguaging strategies that draw on your students' first languages when you don't know how to speak them. How to utilize the characteristics of text to support readers, along with a rubric for determining a text's cultural relevance. How to build students' academic content knowledge and develop academic language proficiency. Each unit addresses a commonly taught topic in today's language arts programs and comes with ready-to-go review and preview activities, key strategies, grade-level adaptations, reflection exercises, and printable online resources. Taken as a whole, they constitute an all-new approach for providing that equitable and excellent access our English learners so rightfully deserve. When you adopt our Equitable Access Approach, your students will not only thrive; they'll also find your language arts curriculum much more meaningful and engaging. Mary Soto, David E. Freeman, and Yvonne S. Freeman
