Memoir of a Second Marriage in a Digital World Paul Jazzy, 2016-03-29 When Luke's wife died in 2006, Luke struggled with loneliness and depression. He day-traded stocks and regularly visited casinos to escape world realities. Julie's husband died in 2005 and she became a widow at a young age. In early 2008, Luke became bored with being a widower and signed up for an online dating service. That's when he met Julie. In *Memoir of a Second Marriage in a Digital World*, author Paul Jazzy offers a fictionalized memoir narrating the story of Luke and Julie as they meet, later in life live together, get married, and share a host of experiences. It tells how externally their marriage seemed like it was made in heaven. But internally, problems developed, and the couple eventually divorced. *Memoir of a Second Marriage in a Digital World* offers an inside look into Luke and Julie's relationship, one that started on the Internet. It tells how one couple, both experiencing second marriages, tried finding love again.

Blind Passion John Glatt, 2011-04-01 A Shocking True Crime Story of Greed, Betrayal, and Murder in Paradise. She was a gorgeous swimsuit model. He was a charming Greek sailor. They met on a cruise in November of 1997 and soon thereafter began a clandestine love affair. Little more than a year later, thirty-one-year-old Julie Scully left her millionaire ex-husband and three-year-old daughter behind and moved to Greece to be with twenty-four-year-old George Skiadopoulos. But there was trouble in paradise. Julie, tired of Skiadopoulos' jealous and controlling nature and badly missing her young daughter, decided to return to the States. Skiadopoulos wouldn't have it. When she told him of her plans to leave and take her 600,000 divorce settlement back with her, Skiadopoulos took Julie to a remote area and strangled her to death. Then to cover up his deed, he burned her lifeless body and tried to stuff the charred corpse into a suitcase. When it wouldn't fit, Skiadopoulos delivered the final blow: he chopped off her head and tossed it into the Aegean Sea. Now acclaimed true crime writer John Glatt lays bare the stunning inside story on the Julie Scully murder case that made national headlines. *Blind Passion* is a shocking true crime tale of a newlywed murder, betrayal, greed, and the ultimate honeymoon murder. A must-read for true crime fans.

Playing with America's Doll Emilie Zaslow, 2017-08-14 This critical account of the American Girl brand explores what its books and dolls communicate to girls about femininity, racial identity, ethnicity, and what it means to be an American. Emilie Zaslow begins by tracing the development of American Girl and situates the company's growth and popularity in a social history of girl power, media culture. She then weaves analyses of the collection's narrative and material representations with qualitative research on mothers and girls. Examining the dolls with both a critical eye and a fan's curiosity, Zaslow raises questions about the values espoused by this iconic American brand.

Zombies and Sexuality Shaka McGlotten, Steve Jones, 2014-09-17 Since the early 2000s, zombies have increasingly swarmed the landscape of popular culture with ever more diverse representations of the undead being imagined. A growing number of zombie narratives have introduced sexual themes, endowing the living dead with their own sexual identity. The unpleasant idea of the sexual zombie is itself provocative, triggering questions about the nature of desire, sex, sexuality, and the politics of our sexual behaviors. However, the notion of zombie sex has been largely

unaddressed in scholarship This collection addresses that unexamined aspect of zombiedom with essays engaging a variety of media texts including graphic novels films television pornography literature and internet meme culture The essayists are scholars from a variety of disciplines including history theology film studies and gender and queer studies Covering The Walking Dead Warm Bodies and Bruce LaBruce's zombie porn movies this work investigates the cultural political and philosophical issues raised by undead sex and zombie sexuality *Psychotherapy with Adolescent Girls* D. Lamb, 2012-12-06 When I was getting my medical and psychiatric training in the late 1950s and early 1960s the model of normal and deviant adolescent development was the white male This was not surprising since for every clinical or psychological study of adolescent girls done during the past 2 decades there were seven studies on adolescent males This tremendous discrepancy in actual clinical and research data between male and female adolescents led to the following myths 1 Female adolescents are different only biologically from their male peers they have similar psychosocial problems 2 Adolescent girls have not been studied because their problems are not worth studying 3 Studying adolescent girls might be dangerous to either the patient or therapist or to both In relation to the third myth male psychotherapists were told that they should not treat female adolescent patients because erotic interplay could develop which would be harmful to the patient and perhaps impossible to resolve Many clinics in the United States had a rule that young adolescent girls could not be treated by male therapists It was thus difficult for girls to obtain treatment for most therapists were males It also intensified the feelings among parents teachers v vi Foreword community leaders and the girls themselves that perhaps female adolescents were not worth treating

The Missing Witherton Files Molly Chandler, 2020-09-27 When investigative reporter Julie Peterson of the Western Herald suddenly disappears while she and co worker Jay Falk are on assignment in Kansas all heads are turned to Jay as he searches for Julie's whereabouts He soon hears from Julie via phone that she's to meet him but the torrential rain is impeding her progress As Jay tries to locate her there is a news break about a downed plane in the Caribbean He hopes that's not Kevin Julie's boyfriend in that area on missions While searching for Julie Jay learns of her auto accident Could Julie and Kevin's events be coincidental Finally locating Julie in a nearby hospital he finds her unconscious Jay secured the belonging of Julie's and notes her files Her accident requires an FBI investigation Will Kevin be rescued from the Caribbean See how events unfold Can love survive for Kevin and Julie Can the missing files be secured from prying Russian eyes *Kiss Me, Kill Me* Ann Rule, 2004-12-01 The dark side of love is no fairy tale And while we may like to believe that crimes of the heart only victimize those who aren't careful this page turning collection of must read accounts will convince you otherwise America's 1 true crime writer Ann Rule reveals how lovers become predators how sex and lust can push ordinary people to desperate acts and how investigators and forensics experts work to unravel the most entangled crimes of passion Extracting behind the scenes details Rule makes these volatile relationships utterly real and masterfully re creates the ill fated chains of events in such cases as the ex Marine and martial arts master who seduced vulnerable women and then destroyed their lives the killer

whose calling card was a single bloodred rose the faithless wife who manipulated and murdered without conscience the blind date that set the stage for a killer's brutality and more In every case the victim young and innocent or older and experienced unknowingly trusted a stranger with the sociopathic skill to hide their dark motives until it was too late to escape a web of deadly lies fatal promises and homicidal possession **Marshal Shawn Felton & the Wild Bunch** Terry
