A New Orleans Author in Mark Twain's Court Miki Pfeffer, 2019-11-11 Shortly after Grace King wrote her first stories in post-Reconstruction New Orleans she entered a world of famous figures and literary giants greater than she could ever have imagined Notable writers and publishers of the Northeast bolstered her career and she began a decades-long friendship with Mark Twain and his family that was as unlikely as it was remarkable Beginning in 1887 King paid long visits to the homes of friends and associates in New England and benefited from their extended circles She interacted with her mentor Charles Dudley Warner writers Harriet Beecher Stowe and William Dean Howells painter Frederic E Church suffragist Isabella Beecher Hooker Chaucer scholar Thomas Lounsbury impresario Augustin Daly actor Will Gillette cleric Joseph Twichell and other stars of the era As compelling as a novel this audacious story of King's northern ties unfolds in eloquent letters They hint at the fictional themes that would end up in her own art they trace her development from literary novice to sophisticated businesswoman who leverages her own independence and success Through excerpts from scores of new transcriptions as well as contextualizing narrative and annotations Miki Pfeffer weaves a cultural tapestry that includes King's volatile southern family as it struggles to reclaim antebellum status and a Gilded Age northern community that ignores inevitable change King's correspondence with the Clemens family reveals incomparable affection As a regular guest in their household she quickly distinguished Mark the rowdy public persona from Mr Clemens the loving husband of Livy and father of Susy

Clara and Jean all of whom King came to know intimately Their unguarded casual revelations of heartbreaks and joys tell something more than the usual Twain lore and they bring King into sharper focus All of their existing letters are gathered here many published for the first time A New Orleans Author in Mark Twain's Court paints a fascinating picture of the northern literary personalities who caused King's budding career to blossom
