A Line in the Dark Malinda Lo,2022-10-04 A twisty dark psychological thriller that will leave you guessing til the very end Teen Vogue A riveting read NPR The line between best friend and something more is a line always crossed in the dark Jess Wong is Angie Redmond s best friend And that s the most important thing even if Angie can t see how Jess truly feels Being the girl no one quite notices is OK with Jess anyway If nobody notices her she s free to watch everyone else But when Angie begins to fall for Margot Adams a girl from the nearby boarding school Jess can see it coming a mile away Suddenly her powers of observation are more a curse than a gift As Angie drags Jess further into Margot s circle Jess discovers more than her friend s growing crush Secrets and cruelty lie just beneath the carefree surface of this world of wealth and privilege and when they come out Jess knows Angie won t be able to handle the consequences When the inevitable darkness finally descends Angie will need her best friend It doesn t even matter that she probably doesn t understand how much she means to me It s purer this way She can take whatever she wants from me whenever she wants it because I m her best friend A Line in the Dark is a story of love loyalty and murder Mesmerizing Kirkus starred review
