Not just a biography but a metaphor. The King of Novelty is about a famous record producer whose esoteric comedy created more than a genre. Dickie Goodman created an entire subculture. Dickie Goodman THE KING OF NOVELTY invented the break in record, a comedy recording that used samples of previously published hit songs to satirize and make parody of current events. In other words, Dickie Goodman began what is now known as mixing and sampling by summarizing an era in two hysterical minutes. Today sampling is the music industry's largest source of reinvention, and Dickie Goodman's novelty comedy records started it all. THE KING OF NOVELTY describes the impact these eclectic records had on shaping American pop culture. Dickie Goodman is listed by Billboard as the 1 novelty comedy recording artist of all time. Over four decades he sold millions of copies of a multitude of charted hits worldwide. To this day, Dickie Goodman sells over 100 000 tracks a year in the US alone. THE KING OF NOVELTY is the biography of Dickie Goodman.
