*Junkie Meets Jesus* Colin Garnett,2011-08-25 Colin Garnett grew up in Stockport South Manchester in a tough working class culture A teenage involvement with alcohol amphetamines and violence led to an adult heroin addiction For many years he was lost in a crime and drugs lifestyle and did time in twenty seven different English prison and two military prisons But on 17th June 1993 in a prison chapel he turned to God with a heavy heart and received Jesus Christ as his personal Lord and Saviour From that moment God started to transform Colins life Colin has become a highly effective evangelist with a very powerful ministry to those in prisons and their families to those trapped in addictions and their families and to the hearts and minds of developing youth Colin and his wife Deanna now run The Bethesda Recovery Homes of South Africa where they are seeing a steady stream of individuals and families receiving reconciliation and freedom ENDORSEMENTS Meeting Colin Garnett and hearing his story was a spiritual tonic if not a shake up May God continue to keep him and use him in this very needy and difficult work for which he is almost uniquely gifted and qualified Dick Lucas Rector Emeritus St Helens Church Bishopsgate London Jesus Christ is the hope of the world It has been a privilege to see that hope so powerfully expressed through the life and ministry of Colin Garnett one of our graduates Read and Rejoice Dr Steve Brady Principle Moorlands College As you read this story you might forgiven for doubting its veracity because it seems so fantastic in an age of cynicism but I urge you to read on to the end and conclude that only God can change a life and that He has done well with Colin Rev Vic Jackopson M B E Founder and President of Hope Now International There are some very special people that God takes from the most unlikely places and transforms them to serve Him in an utterly amazing way Colin is one of those people and this book is a testimony to the amazing God who continues to turn our rags to His riches Enjoy this challenging read that has a profound message to give in an age of cynicism and despair Colin Bennett Deputy Principle Moorlands College **A New Way To Look At Christianity** John Grimshaw,2018-02-02 Moses Married a Black Woman There are no female angels Angels

Having Sex with Women Does Jesus Know You Gentiles to Provoke the Jews to Jealousy All Israel Shall Be Saved But the main reason I wrote this is to tell people that our God is a loving Father And He does NOT torment any human souls God did not create Hades God does not cast any human souls into Hades God does not torment any human souls in Hades and Hades is not God s punishment for sin The lake of fire was created by God for Satan and his angels and the lake of fire IS God s punishment for sin but all who are cast into the lake of fire are burned and destroyed even the beast and the false prophet But the beast and the false prophet do not die right away They last for over a thousand years but it is not God who is tormenting them it is Satan that keeps them alive If Satan is cast into the lake of fire and is destroyed then the beast and the false prophet are also burned up and destroyed So it is not our living Father that torments any human souls People need to see our God as the loving Father that He is and not as someone that would torment human souls for eternity Israel and the Covenants in New Testament Times Peter Williams, A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ s return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that

*God in 3D* Colin Green, 2019-12-11 This groundbreaking book sets out fresh arguments that common views on the doctrine of the Trinity are mistaken on three counts One the idea of the Trinity can t be found explicitly in Scripture Two it is a mystery irrational to the human mind Three the classical creeds of the church are the best place to start These old ideas

break down in light of recent research in biblical studies Writing in plain English the author sets out where the Trinity can be found in Hebrew and Christian Scripture that it is rational and understandable and that there are biblical ways of understanding it that are easier to get across than the classical creeds This book offers what many interested in teaching or learning about the Trinity have lacked up to now And it will be a great help to those who are unsure how to communicate the idea of the Trinity in ways that the nonspecialist can understand For the scholar interested in biblical and early church studies recent insights from temple theology and name theology produce a fresh perspective that will stimulate further discussion on this important subject In the temple of God we find the triune God      **In Search of the Soul, Second**

**Edition** Joel B. Green, 2010-11-01 Why A Search for the Soul Many Christians assume that it is biblically faithful and theologically noncontroversial to speak of humans having a soul Yet a wide range of biblical scholars are questioning whether we have correctly understood what the Bible means when it speaks of the soul And contemporary neuroscience is laying more and more questions at the doorstep of the church asking whether our human sense of self is intelligible on the basis of soul But for thoughtful Christians following science on this point looks like caving in to reductionism while denying science gives off the door of obscurantism In Search of the Soul provides a rare opportunity to listen in as four Christian philosophers set forth their best arguments for their distinct views and then respond to each other While each of these views calls for careful framing and patient exposition they are labeled as follows SUBSTANCE DUALISM Stewart Goetz EMERGENT DUALISM William Hasker NONREDUCTIVE PHYSICALISM Nancey Murphy CONSTITUTION VIEW OF PERSONS Kevin Corcoran The editor introduces the debate by laying out the critical issues at stake and wraps it up by considering the implications for the Christian life particularly hospitality and forgiveness This is a book of timely interest to philosophers theologians psychologists and pastors Whatever conclusions readers may draw they will find here an instructive and engaging discussion of a controversy that will not go away any time soon      **Let Us Praise/Let Us Worship** Judson

Cornwall, 2006-07 Two Judson Cornwall timeless books combined into one Let Us Praise Have you desired to praise God more freely but don't know how This book is for you Judson Cornwall weaves lessons through 350 Scriptures that pertain to praise assuring that praise is patterned by God and therefore divine Let Us Worship An exposition of Bible passages dealing with worship that inspire direct and channel the reader into worship The reader will learn the secrets of an intimate relationship with God knowledge with depth that few ever experience      Finding the Groove Robert Gelinas, 2009-05-26 A jazz shaped faith balances freedom with boundaries the individual with the group and traditions with the pursuit of what might be I have discovered in jazz a way of thinking living communicating a way of being a groove You don't have to be a jazz musician or even a jazz connoisseur for this book to speak to you If you love God and his Word and if you've longed to follow Jesus Christ outside the slick corporate structures that some American churches erect this book is for you If you want to discover a freer more genuine expression of Christianity Finding the Groove will be music to your ears your heart and your mind Using

brilliant metaphors from the world of jazz Robert Gelinas reveals breathtaking possibilities for the body of Christ What might a jazz shaped faith look like and how could it help us fulfill the message of the gospel in a way no method movement or structured program ever could How can understanding the beauty of jazz help you better understand Jesus his vision for those who follow him and his heartbeat for a world that is badly out of sync But this book isn't about music It is about a passionate biblical fully integrated way of looking at life and salvation that will free you to find your own unique groove in the kingdom of God     **The Way of Love** Church Publishing Incorporated,2018-12-01 A brief guide that shows how this spiritual practice can enrich your life From the beginning of creation God has established the sacred pattern of going and returning labor and rest Especially today God invites us to dedicate time for restoration and wholeness within our bodies minds and souls and within our communities and institutions By resting we place our trust in God the primary actor who brings all things to their fullness When we set aside time to rest we receive the gift of God's grace peace and restoration This series of seven Little Books of Guidance are designed for you to discover how following certain practices can help you follow Jesus more fully in your daily life     **The Presbyterian** ,1894     **Behold, I AM** Joyce Lynn Wulf,2023-11-13 It was a childlike question but the answer was as stunning as it was profound If God is light what do the primary colors of the rainbow's spectrum signify The Gospel of John declares in eight mysterious signs that God is light and Jesus Christ in the flesh was God sent to bring the light of true life to us These enigmatic signs of light semeion imply the eight signs significance pointed to something other than what they appeared The themes of John's eight signs match the themes of the Feasts given to ancient Israel at Mount Sinai and a sequence of YHWH's covenant names Behold I AM is a rich in depth study into God's Holyday appointed times His eight Festivals of Light what they meant then what they mean today and how they are fulfilling prophecy
