more moral and more effective than the ruthless anything for the bottom line approach that has brought disgrace and often ruin to many once mighty organizations Serving leaders lead by serving others not by using them As one of the characters in the book notes A leader qualifies to be first by putting other people first It sounds paradoxical but it works and The Serving Leader shows precisely how and why While The Serving Leader uses a parable to outline the basics of servant leadership all the people in it are based on real people the organizations depicted are based on real organizations and the results they achieved are what really happened Ken Jennings and John Stahl Wert use an engaging and moving story about an estranged son his dying father and a remarkable group of innovative leaders in business volunteer organizations and civic groups to illustrate five pragmatic principles of servant leadership On one level The Serving Leader is the most practical guide available to implementing servant leadership on a deeper level it is a book about the personal journey of growth that real leadership requires
