Lang,2019-02-19 As we make our way into the twenty first century many Christians are looking for an expression of discipleship that speaks meaningfully to our time a faith yearning that is at once personally intimate and relevant and that grows out of and nurtures authentic Christian community

The Pilgrim's Compass shepherds readers through a metaphorical pilgrimage to consider one's life a journey for faith formation. Using this book as a guide to help Christians consider their journey as they walk through the four stages of intentional faithfulness, disciples will encounter God, wrestle with God, be wounded as will God, and be reborn as a new person with a new name. The Pilgrim's Compass encourages individuals to embrace the ancient practice of pilgrimage both as metaphor for the daily walk of discipleship and as an intentional journey of faith which uses prayerful travel to assist an inner transformation.

Symbolism and Belief Edwyn Bevan, 2016-07-15 The lectures contained in this volume were given for the University of Edinburgh on Lord Gifford's foundation in the years 1933 and 1934. I have delayed their publication in the hope that with process of time I might by further reading and thought be able to expand and modify them so as to make them more worthy of presentation to the public in the form of a book. This hope has been so meagerly realized that it now seems best to let them go forth with all their imperfections on their head hardly at all altered from the form in which they were delivered.

Seasons Marie Bishop, 2023-01-23 Author Marie Bishop likens her life to climate. Each season has had its own climate, growth in different ways in each season, different challenges and different countries. In *Seasons* she narrates her story, telling how her spring years were spent in war-ravaged Liverpool, England, where her large and loving extended family provided security. This memoir chronicles how summer blossomed with immigration to Rhodesia, with romance, marriage and children. And then, on toward the end of summer, Rhodesia became Zimbabwe, taking her through to her autumn years, a season of spiritual growth and recognizing God's healing power. But most of all, Marie recognizes where God has been at work and she records the times he's answered prayers and directed paths, times when he's orchestrated events and changes in her life. Sometimes these events looked like chance happenings, coincidences, but other could only be deemed miracles. She sees them now as road markers, steppingstones, as God guided her on her journey, not coincidences but God incidences.

Amos William John Deane, 1893 *Ministering to Twenty-First Century Families* Dennis Rainey, 2001-06-11 There is nothing traditional about the typical family of the twenty-first century and so it follows that ministering to today's families presents an assortment of new challenges. Rainey believes that the resources needed by the church to confront and combat family problems do exist and *Ministering to Twenty-First Century Families* is a user-friendly guide to combating the destruction of the family unit. Offering practical solutions and encouraging action, Rainey calls for a roll-up-your-sleeves approach to healing weary families.

The first series tracts Religious Tract Society, 1850 *Heaven's Calling* Leanne Payne, 2008-09-01 Leanne Payne was called out of brokenness into union with Christ and her nearly fifty-year journey with God has been an adventure of healing, grace and truth and of the accompanying spiritual battles. She has spent her life proclaiming the freeing message that Christ lives in us and offers the ministry of Jesus especially to those suffering from the effects of past sins and woundedness, self-rejection and long-standing addictions. By exposing her own life, complete with its triumphs and failures, Mrs. Payne brings extraordinary clarity and understanding on a surprisingly large range of

subjects including gender identity sexual neurosis gnosticism false prophecy transference healing prayer incarnational reality and sacramental worship Her story illustrates how one soul listening to and obeying the Lord can revel in the abundant life that is available to us all
