Megachurches And Americas Cities How Churches Grow

Sandra L. Barnes

Megachurches And Americas Cities How Churches Grow:

Megachurches & America's Cities John N. Vaughan, 1993 Church growth specialist Vaughan observes that growth numerical and nurture is the natural result of compassion and that churches grow when people find concerned love in them Vaughan maintains The issue is not small churches versus large churches The major issue remains biblical obedience faith and reproductive multiplication as believers **The Routledge Handbook of Megachurches** Afe Adogame, Chad M.

Bauman, Damaris Parsitau, Jeaney Yip, 2024-05-07 The Routledge Handbook of Megachurches provides a survey of global megachurch phenomena with an international slate of authors introducing existing and emerging research on a wide variety of relevant topics Over the past decade the field of megachurch studies has matured and become global in its scope and orientation The Handbook offers 33 chapters by top scholars in the field focusing in particular on The location demographic nature and transnational connections of megachurches Megachurch worship hermeneutics and theology in theory and practice Megachurch institutional dynamics The various ways that megachurches have both influenced and been influenced by their social contexts in terms of class age gender sexuality and pop culture The Handbook s interdisciplinary orientation makes it essential reading for sociologists political scientists anthropologists media specialists pop culture observers business strategists leadership consultants marketing analysts scholars of religion and Christian historians theologians and missiologists Experienced scholars of megachurches will gain valuable insight into aspects of megachurch research beyond their own specializations Scholars new to the field will find the chapters useful as signposts for where to begin their own academic exploration Christian pastors and laypeople will learn more about this increasingly prominent and influential form of their faith **Beyond Megachurch Myths** Scott Thumma, Dave Travis, 2007-08-10 Drawing on extensive broad based

and well designed research as well as stories and anecdotes Beyond Megachurch Myths dispels popular myths about megachurches while highlighting the diversity within the megachurch phenomenon Defining a megachurch as a Protestant church that averages at least 2000 total attendees in their weekend services Scott Thumma and Dave Travis reveal what these churches are and are not why they are thriving what their members say about their experiences and why they have many valuable lessons to teach smaller churches **Megachurches in Africa** Babatunde A. Adedibu, Felicity Apaah, Okelloh Ogera, Benson O. Igboin, 2024-10-04 The idea of megachurch is pivotal to the nature characteristics and vision of megachurches as a social divine structure grounded on the belief in grand mega God whose omnipotence is revealed encountered and dramatised in space and place Although the concept of megachurch has been discursively and theoretically problematic sprouting and scouting for a big idea grasping that is in itself elusive the book takes a pragmatic detour to engage and nuance and also beat into manageable shape what can readily be construed as megachurch at least in Africa It argues that megachurch is not only related to from the prism of its exponentiality and grandiosity a feature that is pervasive in its conceptualisation but it is also much more inserted into a socio cultural political and religious context that is at once

empirical and relatable responsible and responsive daring and appealing local and transnational spiritual and mundane controversial and soothing The institutionalisation of megachurch legitimises its existence radar and reach in terms of social mobilisation charismatics and incarnationality Central to the praxis of megachurches is digital turn that zooms out the Mega Mega powers and affluence of mega pastors mega narratives mega miracles and mega messes All of this is sited and situated most profoundly within the mega failure of state to be responsible and account for mega wealth that African political rulers vanquished into their private lounges The megachurch and state relations might appear complexified and mutually beneficial the knack with which some Africa s megachurches pastors churches churches dribble and meander through this midfield constantly calls to mind the Megachurches Megachurches claim of divine imprimatur and the future of its pentecostality

From Meetinghouse to Megachurch Anne C. Loveland, Otis B. Wheeler, 2003 Table of contents The Commercial Church Mary Hinton, 2011-05-19 In this new book on the rise of commercial black mega churches Mary Hinton examines the rich legacy of the historic black church from the dual perspectives of theology and religious education She explores the new religious models emerging from the tradition of the historic black church and questions whether they are continuing to operate and practice according to the wisdom of this unique form of American religion Two mega church ministries those of T D Jakes and Creflo Dollar are examined in detail with regards to how they align with black church religious history Hinton concludes by proposing that the fastest growing religious phenomenon within and outside of the black community in the United States the mega church should no longer be analyzed based on size alone Instead Hinton urges readers to consider the ecclesiastical structures of churches in making appropriate assessments in determining should and should not be classified as a commercial church *Live Long and Prosper: How Black Megachurches Address HIV/AIDS and Poverty in the Age of Prosperity Theology* Sandra L. Barnes, 2013 This title offers an intriguing examination of 16 representative black megachurches and explores some of their motivations and subsequent programmatic efforts in light of prosperity or health and wealth theology **The Everychurch Guide to Growth** Elmer L. Towns, C. Peter Wagner, Thom S. Rainer, 1998-08-01 Shows churches of every size how to revive and expand their ministries breaking through barriers and growing into the future *Planting and Growing Urban Churches* Harvie M. Conn, 1997-07-01 If the church is to thrive in the twenty first century it will have to take on a new form as it ministers to the 120 million unchurched people in the United States Planting and Growing Urban Churches is still virtually the only available text on church planting in North America and beyond In this third edition readers will find material on the importance of healthy biblical change in our churches updated appendices insight on our postmodern ministry context and strategies for reaching new population demographics such as Generation X and Y Pastors ministry leaders and church planters will find the information and advice found in this book invaluable as they carry out their ministries **Confessions of a Reformission Rev.** Mark Driscoll, 2009-05-26 This is the story of the birth and growth of Seattle s innovative Mars Hill Church one of America s fastest growing churches located in one of America s

toughest mission fields It s also the story of the growth of a pastor the mistakes he s made along the way and God s grace and work in spite of those mistakes Mark Driscoll s emerging missional church took a rocky road from its start in a hot upstairs youth room with gold shag carpet to its current weekly attendance of thousands With engaging humor humility and candor Driscoll shares the failures frustrations and just plain messiness of trying to build a church that is faithful to the gospel of Christ in a highly post Christian culture In the telling he s not afraid to skewer some sacred cows of traditional contemporary and emerging churches Each chapter discusses not only the hard lessons learned but also the principles and practices that worked and that can inform your church s ministry no matter its present size The book includes discussion questions and appendix resources After reading a book like this you can never go back to being an inwardly focused church without a mission Even if you disagree with Mark about some of the things he says you cannot help but be convicted to the inner core about what it means to have a heart for those who don t know Jesus Dan Kimball author *The Emerging Church* will make you laugh cry and get mad school you shape you and mold you into the right kind of priorities to lead the church in today s messy world Robert Webber Northern Seminary [Black Megachurch Culture](#) Sandra L. Barnes,2010 This book identifies how church cultural components are created developed and used to educate and empower adherents and whether and how these tools are associated with the historic Black Church The book is particularly interested in how large Black congregations megachurches use rituals found in worship theology racial beliefs programmatic efforts and other tools from their cultural repertoire to instruct congregants to model success in word and deed The book s findings illustrate that Black megachurches strive to model success on various fronts by tapping into effective historic Black Church tools and creating cultural kits that foster excitement expectation and entitlement [Religion and Community in the New Urban America](#) Paul D. Numrich,Elfriede Wedam,2015-04-14 Religion and Community in the New Urban America examines the interrelated transformations of cities and urban congregations The authors ask how the new metropolis affects local religious communities and what role those communities play in creating the new metropolis Through an in depth study of fifteen Chicago congregations Catholic parishes Protestant churches Jewish synagogues Muslim mosques and a Hindu temple both city and suburban this book describes congregational life and measures congregational influences on urban environments Paul D Numrich and Elfriede Wedam challenge the view held by many urban studies scholars that religion plays a small role if any in shaping postindustrial cities and that religious communities merely adapt to urban structures in a passive fashion Taking into account the spatial distribution of constituents internal traits and external actions each congregation s urban impact is plotted on a continuum of weak to moderate to strong thus providing a nuanced understanding of the significance of religion in the contemporary urban context Presenting a thoughtful analysis that includes maps of each congregation in its social geographic setting the authors offer an insightful look into urban community life today from congregations to the places in which they are embedded [The Making of the American Landscape](#) Michael P. Conzen,2014-06-03 The only

compact yet comprehensive survey of environmental and cultural forces that have shaped the visual character and geographical diversity of the settled American landscape The book examines the large scale historical influences that have molded the varied human adaptation of the continent's physical topography to its needs over more than 500 years It presents a synoptic view of myriad historical processes working together or in conflict and illustrates them through their survival in or disappearance from the everyday landscapes of today *The Subversive Evangelical* Peter J. Schuurman, 2019-06-30

Evangelicals have been scandalized by their association with Donald Trump their megachurches summarily dismissed as religious Walmarts In *The Subversive Evangelical* Peter Schuurman shows how a growing group of reflexive evangelicals use irony to critique their own tradition and distinguish themselves from the stereotype of right wing evangelicalism Entering the Meeting House an Ontario based Anabaptist megachurch as a participant observer Schuurman discovers that the marketing is clever and the venue a rented movie theatre is attractive to the more than five thousand weekly attendees But the heart of the church is its charismatic leader Bruxy Cavey whose anti religious teaching and ironic tattoos offer a fresh image for evangelicals This charisma Schuurman argues is not just the power of one individual it is a dramatic production in which Cavey his staff and attendees cooperate cultivating an identity as an irreligious megachurch and providing followers with a more culturally acceptable way to practise their faith in a secular age Going behind the scenes to small group meetings church dance parties and the homes of attendees to investigate what motivates these reflexive evangelicals Schuurman reveals a playful and provocative counterculture that distances itself from prevailing stereotypes while still embracing a conservative Christian faith *Cities* Roger S. Greenway, Timothy M. Monsma, 2000-06 As cities continue to expand Christ calls the church to bring the gospel to these centers of population culture and political power **Lutherans Today** Richard Cimino, 2003-10-02 I Change and Movements in American Lutheranism American Lutherans Yesterday and Today Mark Noll The Curious Case of the Missouri Synod Mary Todd The Lutheran Left From Movement to Church Commitment Maria Erling Word Alone and the Future of Lutheran Denominationalism Mark Granquist The Evangelical Catholics Seeking Tradition and Unity in a Pluralistic Church Richard Cimino Goliaths in Our Midst Megachurches in the ELCA Scott Thumma and Jim Petersen Lutheran Charismatics Renewal or Schism Robert Longman II Trends and Issues in American Lutheranism Pastors in the Two Kingdoms The Social Theology of Lutheran Clergy Jeff Walz Steve Montreal and Dan Hofrenning North American Lutheranism and the New Ethnics Mark Granquist Multiculturalism and the Dilution of Lutheran Identity Alvin J Schmidt Integrity and Fragmentation Can the Lutheran Center Hold Robert Benne Loose Bonds Emerging Commitments The Lives and Faith of Lutheran Youth Eugene C Roehlkepartain *Hard Times Tough Churches Awesome God!* John N. Vaughan, 2010-02-26 hard times tough churches awesome god 13 Churches that faced losing almost Everything Miami Detroit Orlando San Diego Jacksonville New Orleans Mobile Springfield Oklahoma City Birmingham [A Theology for the Church](#) Dr. Daniel L. Akin, 2014-06-01 The revised edition of *A Theology for the Church* retains its original structure

organized under these traditional theological categories revelation God humanity Christ the Holy Spirit salvation the church and last things Each chapter within these sections contains answers to the following four questions What does the Bible say What has the church believed How does it all fit together How does this doctrine impact the church today Contributions from leading Baptist thinkers R Albert Mohler Jr Paige Patterson and Mark Dever among others will also appeal to the broader evangelical community Included in this revision are new chapters on theological method from a missional perspective Bruce Ashford and Keith Whitfield and theology of creation providence and Sabbath that engages current research in science and philosophy Chad Owen Brand Chapters on special revelation David Dockery and human nature John Hammett have also been updated

Sensational Devotion Jill C. Stevenson, 2013-04-15 Sensational Devotion examines contemporary Passion plays biblical theme parks Holy Land recreations creationist museums and megachurches in order to understand how they serve their evangelical believer users while also shaping larger cultural and national dialogues Jill Stevenson explores how performative media support specific theologies and core beliefs by creating sensual live experiences for those who use them The book explores evangelical performance across a range of media and sites including film television theater tourist attractions museums and places of worship Using historical research coupled with firsthand experiences it critically examines these spaces and events within their specific religious cultural and national contexts while placing them within a long devotional tradition to suggest how they cultivate religious belief by generating vivid sensual affectively oriented and individualized experiences Stevenson's analysis builds upon existing work on performance and cognition as well as theories of affect as it contributes to existing scholarship on American evangelicalism and evangelical Christian media

Pastoral Care and Counseling in Large/Mega Congregations Jean Beedoe, 2016-08-04 Church growth in metropolitan communities motivated a short study concerning the pastoral care and counseling of immigrants specifically Black Caribbean congregants in large mega congregations Culture denomination history and interpretations of scripture enter into the dynamics of defining not only the pastoral office of leaders but their perception of care The phenomenological cycle of care is said to exist as an exchange happens between caregivers and care receivers Such an exploration of three congregations opened up rare concepts of the psycho social and spiritual nature that guide interpersonal relationships of family systems across cultures Large mega congregations desire women's as well as men's style of nurturing and of fellowship that form the characteristics of a sharing caring congregation The study implicated a need for more comprehensive interdisciplinary teaching methods to train church leaders and clergy It signals for an approach in practical theology to develop curricula for spiritual health of cultural plurality in congregations and community
