

A Child of Divorce

“ Two houses, two homes,
two kitchens, two phones
Two couches where I lay, two places that I stay,
Moving, moving here and there,
from Monday to Friday I’m everywhere
Don’t get me wrong, it’s not that bad,
but often times it makes me sad
I want to live that nuclear life,
with a happy dad and his loving wife
A picket fence, a shaggy dog,
a fireplace with a burning log
But it’s not real, it’s just a dream,
I cannot cry or even scream
So here I sit with cat number three,
Life would be easy if there were two of me ”

Psychotherapy with Adult Survivors Lori Bennett, 2012-04-26 Dynamic Psychotherapy with Adult Survivors Living Past Neglect by Lori Bennett examines the aftereffects of emotional neglect in order to help clinicians to better serve survivors. Bennett makes an important contribution by expanding upon the definition of neglect to include emotional neglect while fostering a more profound understanding of the impact of childhood neglect upon adult survivors. The book compiles former clients' stories of recovery in order to illustrate and explore effective therapy and treatment techniques that will aid in the training of the clinicians who serve survivors of neglect. How do young adults climb out of their histories of neglect? How can they hope to feel loved if they never experienced the love they needed in their families of origin? How do they combat the damage to trust? How do they learn to stop the self-blame over circumstances to move beyond the past and to embrace a new future? These questions are answered in *Dynamic Psychotherapy with Adult Survivors*.

Losing Megan Tom Kohl, 2012-11-30 Tom Kohl, a judge, relates how God changed his life through the living Jesus Christ. How could God take a tragedy and turn it into a triumph? Only through the power of the living God could Tom come to forgive the man who brutally murdered his daughter. This story also reveals how drug court, an intensive treatment program, was birthed out of Tom's heart for drug addicts, offering second, third, and fourth chances in the criminal justice system. This is the true story of finding hope, comfort, and forgiveness in the midst of the darkness of drug addiction and ultimately the murder of Tom's daughter.

For many years Mitch has been numbing himself while his Christian walk has grown hollow to the point where Mitch can't even tell the difference anymore. But then several serious devastating events hit Mitch's life unexpectedly leaving him to ask is there a real God and what was the point of his faith. And just believe. Really. That's your great answer. Why should I believe in this God stuff anymore. You know I'm getting a little tired of left holding the bag here while being completely humiliated in the process. So tell me what's the magic formula. Who do I have to watch online or listen to on the radio. What tape series or book do I need to buy. Tell me what the algebra is for God. Kasey to the Rescue Ellen Rogers, 2010-11-02 This is a story of how miracles DO happen. How courage and a never give up spirit can emerge victorious. How an engaging little monkey helped change a family's life. Ellen Rogers considered herself something of a tragedy snob. The single mother of five believed she could weather any storm that she could keep her family from harm with fortitude and grace. But nothing could have prepared her for the June 2005 car accident that left her son Ned then 22 years old fighting for his life. Ellen refused to give in to despair. We'll get through this, she told herself. We have to. But love and determination can only go so far and the road home was fraught with obstacles. Ellen and Ned took comfort in family and friends. And they prayed for a miracle. Miracles happen to those who believe, the saying goes, but who would have believed that one family's miracle would weigh in at five pounds, sopping wet. Then Helping Hands Monkey Helpers for the Disabled provided Ned with an affectionate and intelligent service animal with a steadfast devotion to hierarchy, a longing for spa days and a craving for Gummi Bears. In other words, a diva. Life with Kasey was yet another challenge for this large and lively family, but they persevered as families do and in time this wise and sensitive animal did more than help Ned cope with his disabilities; she turned the simple tasks of life into a life worth living. Kasey's astonishing intelligence and compassion brought hope and laughter back to a family facing its greatest challenge and helped them see the world in a new way.
