**Perennials** Mauro F. Guillén, 2023-08-22 Get the best from accelerating social change with the new book from the bestselling author of 2030 and acclaimed thought leader Kirkus Mauro Guillén Adam Grant praises how the book invites us to rethink our careers our families and our future plans Find out why business leaders and bestselling authors around the world are calling the book sharply relevant and necessary William P. Lauder insightful and deeply researched Richard Florida and A must read Mohammed A. El-Erian In today's world the acceleration of megatrends increasing longevity and the explosion of technology among many others are transforming life as we now know it In *The Perennials* bestselling author of 2030 Mauro Guillén unpacks a sweeping societal shift triggered by demographic and technological transformation Guillén argues that outmoded terms like Boomers Gen X Millennials and Gen Z have long been used to pigeonhole us into rigid categories and life stages artificially preventing people from reaching their full potential A new postgenerational workforce known as perennials individuals who are not pitted against each other either by their age or experience makes it possible to liberate scores of people from the constraints of the sequential model of life and level the playing field so that everyone has a chance at living a rewarding life Guillén unveils how this generational revolution will impact young people just entering the workforce as well as those who are living and working longer This multigenerational revolution is already happening and Mauro Guillén identifies the specific cultural organizational and policy changes that need to be made in order to switch to a new template and usher in a new era of innovation powered by the perennials [UNDERSTANDING HOW THE FUTURE U](#)

Terence C. M. Tse, Mark Esposito, 2017-03-11 Your business's success depends on how you prepare for the future While business leaders of the past looked in the sideview mirror to predict the road ahead we must now look at the greater forces affecting the social business and economic world today megatrends Fortunately world renowned scholars and professors Terence Tse and Mark Esposito are here with a fresh holistic way to think about tomorrow by preparing for it today *DRIVE* The *DRIVE* framework examines five interrelated megatrends Demographic and social changes Resource scarcity Inequalities Volatility complexity and scale Enterprising dynamics By observing today through the lens of *DRIVE* and understanding how megatrends influence one another business owners entrepreneurs executives policy makers and individuals can prepare for tomorrow In this book they will learn how to simplify the complexities around them make better informed decisions and identify new business opportunities now They will also discover how to prepare for uncertainty own the global conversation and illuminate the blind spots on the journey ahead With real world examples from today's top executives and policy advisors and in depth analysis of each megatrend *DRIVE* is the GPS system for the new global economy So buckle up set the destination and let's hit the road *Beginner's Guide to Investing Megatrends* Craig Wallin, 2020-11-18 Own Your Future With Investing Megatrends *UPDATE JANUARY 2021* The Megatrend Portfolio was up over 100% in 2020 using just the 5 ETFs described in chapter 21 We are in the first inning of a technology revolution that will accelerate the pace of innovation and change we've seen in the last two decades In this book you'll learn what these megatrends are and
