Cultural Encyclopedia of the Body Victoria Pitts-Taylor, 2008-09-30 Pop culture and the media today are saturated with the focus on the aesthetics of the human body Magazines and infotainment shows speculate whether this or that actress had breast implants or a nose job Americans are not just focusing on celebrities but on themselves too and today

have unprecedented opportunities to rework what nature gave them One can now drop in to have cosmetic surgery at the local mall Contemplating the superficial nature of it all grows tiresome and pop culture vultures and students can get a better fix for their fascination with the body beautiful through the cultural insight provided in this amazing set Cultural Encyclopedia of the Body is a treasure trove of essays that explore the human body alphabetically by part detailing practices and beliefs from the past and present and from around the world that are sometimes mind blowing and eye popping Body parts are examined through a multifaceted cultural lens Readers will explore how the parts are understood what they mean to disparate societies how they are managed treated and transformed and how they are depicted and represented The entries draw from many disciplines that are concerned to some degree or another with human bodies including anthropology archeology sociology religion political history philosophy art history literary studies and medicine The encyclopedia proffers information on a number of cultures tribes and customs from East and West Ancient practices to the latest fad which in fact might continue ancient practices are illuminated Other considerations that arise in the essays include comparisons among cultures the changing perceptions of the body and issues of race gender religion community and belonging ethnicity power structures human rights

Encyclopedia of Body Adornment Margo DeMello, 2007-08-30 People everywhere have attempted to change their bodies in an effort to meet their cultural standards of beauty as well as their religious and or social obligations Often times this modification or adornment of their bodies is part of the complex process of creating and re creating personal and social identities Body painting has probably been practiced since the Paleolithic as archaeological evidence indicates and the earliest human evidence of tattooing goes back to the Neolithic with mummies found in Europe Central Asia the Andes and the Middle East Adornments such as jewelry have been found in the earliest human graves and bodies unearthed from five thousand years ago show signs of intentional head shaping It is clear that adorning and modifying the body is a central human practice Over 200 entries address the major adornments and modifications their historical and cross cultural locations and the major cultural groups and places in which body modification has been central to social and cultural practices This encyclopedia also includes background information on the some of the central figures involved in creating and popularizing tattooing piercing and other body modifications in the modern world Finally the book addresses some of the major theoretical issues surrounding the temporary and permanent modification of the body the laws and customs regarding the marking of the body and the social movements that have influenced or embraced body modification and those which have been affected by it All cultures everywhere have attempted to change their body in an attempt to meet their cultural standards of beauty as well as their religious and or social obligations In addition people modify and adorn their bodies as part of the complex process of creating and re creating their personal and social identities Body painting has probably been practiced since the Paleolithic as archaeological evidence indicates and the earliest human evidence of tattooing goes back to the Neolithic with mummies found in Europe Central Asia the Andes and the Middle East Adornments

such as jewelry have been found in the earliest human graves and bodies unearthed from five thousand years ago show signs of intentional head shaping It is clear that adorning and modifying the body is a central human practice Over 200 entries address the major adornments and modifications their historical and cross cultural locations and the major cultural groups and places in which body modification has been central to social and cultural practices This encyclopedia also includes background information on the some of the central figures involved in creating and popularizing tattooing piercing and other body modifications in the modern world Finally the book addresses some of the major theoretical issues surrounding the temporary and permanent modification of the body the laws and customs regarding the marking of the body and the social movements that have influenced or embraced body modification and those which have been affected by it Entries include acupuncture amputation Auschwitz P T Barnum the Bible body dysmorphic disorder body piercing branding breast augmentation and reduction Betty Broadbent castration Christianity cross dressers Dances Sacred and Profane Egypt female genital mutilation foot binding freak shows genetic engineering The Great Omi Greco Roman world henna infibulation legislation regulation lip plates medical tattooing Meso America military tattoos National Tattoo Association nose piercing obesity permanent makeup primitivism prison tattooing punk rites of passage scalpelling silicone injections Stalking Cat suspensions tanning tattoo reality shows tattooing Thailand transgender tribalism

Mother Rising Yana Cortlund, Barb Lucke, Donna Miller Watelet, 2012-05-09 Different from a baby shower where gifts are lavished upon the soon to be born child a blessingway ceremony honors the mother to be and creates a circle of support that will cradle her as she prepares to give birth Surrounded by the most important women in her life she can explore the challenges and joys that lie before her gaining a sense of power and confidence that will help her rise to motherhood MOTHER RISING shows women how to organize and personalize a blessingway for the expecting friends and family an experience that will give the mother to be the best possible gifts of deep happiness serenity and abundance of love A resource for planning and hosting a blessingway ceremony a woman centered celebration of the journey into motherhood Ideal gift for or from an expectant mother who wants a more meaningful and transformational experience than the traditional gift focused baby shower Outlines the five stages of the blessingway ritual from establishing a safe and sacred space to honoring and pampering the mother to be Finalist in both the 2004 Independent Publisher Book Awards and Foreword magazine s Book of the Year Awards Features sidebars inspirational quotations resources and checklists

Henna Sourcebook Mary Packard, 2012-10-01 No one knows for sure when henna was first used for skin decorating but traces of henna have been found on mummies in Egypt and on cave painting in India dating back thousands of years While this tradition is still widely used in India Africa the Middle East and Asia it is now gaining popularity throughout the Western world as well Rooted in the belief that those whose skin is adorned with henna are blessed with good fortune henna is often associated with rights of passage coming of age marriage and childbirth Holidays and festivals are times when women and girls decorate their hands and feet and henna patterns are sometimes

unique to these occasions In some cultures a bridegroom may be decorated the night before a wedding as well It is increasingly common for henna parties to be held in the United States sometimes at weddings birthday parties and baby showers and sometimes just for fun Henna patterns are seen adorning pop icons like Madonna Demi Moore and Prince and henna artists are becoming an increasingly common sight at street fairs and shops as a temporary and painless alternative to tattoos Design motifs are included from many different cultures with background information provided about the symbolism of the designs and motifs
