Mejor De Somos Cubanos:

El arte de ser cubano Dulce María Sotolongo Carrington, Juan Francisco Bertrán Hurtado, 2018-05-08 Más allá del ron el tabaco o el café y hasta del deporte es la música la manifestación artística que más nos ha dado a conocer internacionalmente. Aunque la literatura cubana no ha corrido la misma suerte de ser universal, sigue y es un elemento esencial en la formación de nuestra nacionalidad y se merece un lugar especial en estas páginas escritas por dos cubanos curiosos: un pintor y una editora.

Tan buena Elenita Poniatowska Jairo Osorio Gómez, 2017-11-01 El nuevo libro de Jairo Osorio recoge en su mayor parte una selección de apostillas publicadas en prensa escrita entre los años mil novecientos noventa y nueve y dos mil diez. Cuarenta textos de crítica literaria que hablan del gusto del autor pero también de las broncas y los pesares con que llenan al mundo los malos hombres escritos con el esmero y la pasión que caracterizan su prosa a partir de intromisiones en libros proscritos de atillos olvidados.

"Para poder componer...": Una biografía sonora sobre Alejandro García Villalón 'Virulo' (1955-2008) Pablo Alejandro Suárez Marrero, 2025-01-07 La pluralidad discursiva manifiesta en la actual música popular se encuentra enmarcada en una realidad estética musical cambiante causada por una postmodernidad social cada vez más abierta a la globalización de las expresiones culturales de los pueblos. Es dentro de esta dinámica social que emerge la figura creativa de Alejandro García Villalón 'Virulo' y sus grabaciones sonoras. 1973-2021 En estas el cantautor emplea miles de recursos musicales, literarios, escénicos y visuales para ejercer la crítica sobre sus contextos germinales como una desacralizadora de culturas hegemónicas y paradigmas sociales contruidos a lo largo del devenir histórico de los pueblos de la región. La casi nula existencia de estudios académicos sobre este artista y sus documentos sonoros constituye una oportunidad para construir su biografía sonora como contexto de performance. 1955-2008 donde se imbricaron elementos históricos, políticos, sociales y culturales condicionados por marcos temporales y espacios geográficos. Para ello se concatenaron herramientas técnicas conceptuales y metodológicas provenientes de los estudios de performance, la historiografía crítica y la musicología popular. La presente investigación conduce a repensar las relaciones entre música y humor en culturas musicales de América Latina y el Caribe, la concepción de la biografía sonora de un cantautor como aproximación a su contexto germinal, así como el abordaje de los documentos de música grabada o programada como fuentes primarias de información para estudios sociales de prácticas sonoro-musicales situadas.

Evolución de la cultura cubana (1608-1927): La oratoria en Cuba José Manuel Carbonell, 1928 La voracidad gráfomana--José Kózer, 2002 *De las palabras y el silencio* Zoé Valdés, 2025-01-13 Este breve ensayo de pensamientos de Zoé Valdés narra la experiencia vital desde la perspectiva de una cubana exiliada profundamente afectada por el régimen totalitario comunista de su país Sin embargo sus reflexiones van más allá y a través de su meditación personal y vivencias la autora expone cómo el exilio cubano comparado con el exodo judío es una lucha constante por la supervivencia y la identidad en un mundo que curiosamente no parece interesado en las víctimas del comunismo Temas como la injusticia la represión y la indiferencia mundial exploran las consecuencias de la dictadura en la Cuba actual A su vez reivindica la resistencia y la memoria histórica como armas necesarias contra la tiranía en general desde las ideologías implantadas en Occidente como todo aquello que tiene que ver con lo políticamente correcto y las que están relacionadas con las denominadas de género Zoé Valdés hace hincapié en la revisión del cristiano cultural que nos interpela a todos para volver a nuestro juicio cabal UNA VISIÓN NICA EXPRESADA DESDE EL EXILIO Y LA RESISTENCIA ANTE EL TOTALITARISMO Quiz estemos ante el escrito más desnudo de Zoé Valdés sin duda el más comprometido de su carrera literaria en el que se expone en primera persona Es la prueba de que la búsqueda de la libertad lejos de su país moldea la identidad de una persona Palabra a palabra sin abandonar el espíritu político que la caracteriza explora cómo la resistencia ante el totalitarismo no solo es una lucha política sino una batalla constante por preservar la memoria y el derecho a existir con dignidad
