Mel Bays Deluxe Fiddling Method:

Mel Bay's Deluxe Fiddling Method Craig Duncan, 1981-07-01 This book presents a general survey of American fiddling. The author's intent is to teach the basics of fiddling by beginning with essential bowings and fingerings and progressing from simple to more complex renditions of tunes. As fiddling is an aural tradition and fiddlers from different parts of the country play a given tune in many ways, tunes included in this book are offered only as themselves. The author has attempted to present usable fingerings, bowings, and explanations of each of the 49 tunes in this book. The end result is the most widely used fiddle method available. Craig Duncan is joined by guitarist Robert Bowlin in performing 32 tunes from the popular text *Mel Bay's Deluxe Fiddling Method*. Each tune is performed at slow and medium tempos. Shuffle bowing and double shuffle bowing techniques are presented. Notation is shown at the bottom of the screen beneath split screen views of both hands. This video sets a new standard for home teaching tools and is perfect for beginning students and for those who play the instrument but want to learn more about fiddling.
