The Middle Ages and the Movies Robert Bartlett, 2022-08-04 From Ingmar Bergman s *The Seventh Seal* to Monty Python an investigation into how eight key films have shaped our understanding of the medieval world In *The Middle Ages and the Movies* eminent historian Robert Bartlett takes a fresh cogent look at how our view of medieval history has been shaped by eight significant films of the twentieth century The book ranges from the concoction of sex and nationalism in Mel Gibson s *Braveheart* to Fritz Lang s silent epic *Siegfried* the art house classic *The Seventh Seal* and the epic historical drama *El Cid* Bartlett examines the historical accuracy of these films as well as other salient aspects how was Umberto Eco s *Name of the Rose* translated from page to screen Why is Monty Python and the *Holy Grail* funny And how was Eisenstein s *Alexander Nevsky* shaped by the Stalinist tyranny under which it was filmed

Catholics in the Movies Colleen McDannell, 2008 Catholicism was all over movie screens in 2004 Mel Gibson s *The Passion of the Christ* was at the center of a media firestorm for months A priest was a crucial character in the Academy Award winning *Million Dollar Baby* Everyone it seemed was talking about how religious stories should be represented marketed and received Catholic characters spaces and rituals have been stock features in popular films since the silent era An intensely visual religion with a well defined ritual and authority system Catholicism lends itself to the drama and pageantry of film Moviegoers watch as Catholic visionaries interact with the supernatural priests counsel their flocks reformers fight for social justice and bishops wield authoritarian power Rather than being marginal to American popular culture Catholic people places and rituals are all central to the world of the movie *Catholics in the Movies* begins with an introductory essay that orients readers to the ways that films appear in culture and describes the broad trends that can be seen in the movies hundred year history of representing Catholics Each chapter is written by a noted scholar of American religion who concentrates on one movie that engages important historical artistic and religious issues and then places the film within American cultural and social history discusses the film as an expression of Catholic concerns of the period and relates the film to others of its genre Tracing the story of American Catholic history through popular films *Catholics in the Movies* should be a valuable resource for anyone interested in American Catholicism and religion and film

Focus On: 100 Most Popular English-language Film Directors Wikipedia contributors, **The Bible in Film — The Bible and Film** J.Cheryl Exum, 2021-10-18 Biblical scholars and students are finding the role of the Bible in film an increasingly absorbing and rewarding topic There are films that retell biblical narratives and there are films that allude to the Bible or otherwise build on or appropriate biblical themes and images The eleven lively and provocative articles in this volume explore both types of film showcasing the cinema s impact on the perception of the Bible in modern culture Originally published as issue 1 2 of Volume 14 2006 of Brill s journal *Biblical Interpretation* For more details on this journal please click

here **Latin American History at the Movies** Donald F. Stevens, 2022-08-12 Movies are meant to be entertaining but they can also be educational People are naturally curious to know how much of what they see on their screens might be historically true In Latin American History at the Movies experts on Latin America focus on five centuries of history as portrayed in feature films An introduction on the visual presentation of the past in movies sets the stage for essays that explore sixteen of the best feature films on Latin America made from the 1980s to the present **Christian Thought in the Twenty-First Century** Douglas H. Shantz, Tinu Ruparell, 2012-04-01 In this volume some of the outstanding Christian scholars of our day reflect on how their minds have changed how their academic fields have changed over the course of their careers and the pressing issues that Christian scholars will need to address in the twenty first century This volume offers an accessible portrait of key trends in the world of Christian scholarship today Christian Thought in the Twenty First Century features scholars from Great Britain Canada the United States and Switzerland The contributors represent a wide variety of academic backgrounds from biblical studies to theology to religious studies to history English literature philosophy law and ethics This book offers a personal glimpse of Christian scholars in a self reflective mode capturing their honest reflections on the changing state of the academy and on changes in their own minds and outlooks The breadth and depth of insight afforded by these contributions provide rich soil for a reader's own reflections and an agenda that will occupy Christian thinkers well into the twenty first century **Blind Spot** Paul A. Marshall, Lela Gilbert, Roberta Green, 2009 Today understanding of religion is essential to understanding many major news stories This book examines how the media frequently miss or misunderstand these stories because they do not take religion seriously and how they misunderstand religion when they do take it seriously To the extent that journalists do not grasp events religious dimensions both global and local the authors argue they are hindered from and sometimes incapable of describing what is happening However on the national level the press is one of the most secular institutions in American society not necessarily contemptuous of serious religion just uncomprehending The essays in this book examine nine specific news stories that were inadequately or incorrectly reported by major news sources because their religious dimension was ignored overlooked or misrepresented These stories range from the 2004 U S presidential elections to Iran Iraq and the papal succession In each case the author demonstrates how the story might have been more effectively reported and concludes with specific suggestions for journalist The authors include both scholars and experienced news analysts Although it will be of particular interest to people of faith the book offers all readers an interesting and balanced analysis of the news media's uneasy relationship with religion and religious issues

Film, Lacan and the Subject of Religion Steve Nolan, 2011-10-20 In their study of religion and film religious film analysts have tended to privilege religion Uniquely this study treats the two disciplines as genuine equals by regarding both liturgy and film as representational media Steve Nolan argues that in each case subjects identify with a represented other which joins them into a narrative where they become participants in an ideological reality Finding many current approaches to

religious film analysis lacking Film Lacan and the Subject of Religion explores the film theory other writers ignore particularly that mix of psychoanalysis Marxism and semiotics often termed Screen theory that attempts to understand how cinematic representation shapes spectator identity Using translations and commentary on Lacan not originally available to Screen theorists Nolan returns to Lacan s contribution to psychoanalytic film theory and offers a sustained application to religious practice examining several priest films and real life case study to expose the way liturgical representation shapes religious identity Film Lacan and the Subject of Religion proposes an interpretive strategy by which religious film analysts can develop the kind of analysis that engages with and critiques both cultural and religious practice

Christians in the Movies Peter E. Dans,2009-05-16 Christians in the Movies traces the arc of the portrayal in film of Christians from 1905 to the present For most of the first six decades the portrayals were favorable and even reverential By contrast from 1970 on Christians have often been treated with hostility and often outright ridicule This book explores this shift through in depth reviews and commentaries on 100 important films as well as briefer discussions of about 75 additional Christian themed films Peter E Dans examines various causative factors for this change such as the abolition of the Hays Motion Picture Production Code the demise of the Catholic Legion of Decency and the associated profound societal and cultural changes From a look at the real story behind the Scopes trial to portraits of actors directors and writers most prominently associated with films involving Christians and Christianity Christians in the Movies provides a great resource for those who wish to select films for showing at churches universities or for personal viewing and critical examination of the recent cultural movements and thought

Sensational Devotion Jill C. Stevenson,2013-04-15 Sensational Devotion examines contemporary Passion plays biblical theme parks Holy Land recreations creationist museums and megachurches in order to understand how they serve their evangelical believer users while also shaping larger cultural and national dialogues Jill Stevenson explores how performative media support specific theologies and core beliefs by creating sensual live experiences for those who use them The book explores evangelical performance across a range of media and sites including film television theater tourist attractions museums and places of worship Using historical research coupled with firsthand experiences it critically examines these spaces and events within their specific religious cultural and national contexts while placing them within a long devotional tradition to suggest how they cultivate religious belief by generating vivid sensual affectively oriented and individualized experiences Stevenson s analysis builds upon existing work on performance and cognition as well as theories of affect as it contributes to existing scholarship on American evangelicalism and evangelical Christian media
