

Religion, Popular Culture, and *The Passion of the Christ*

Mel Gibson's Bible

EDITED BY TIMOTHY K. BEAL AND TOD LINA FELT

Mel Gibsons Bible Religion Popular Culture And The Passion Of The

Jonathan Adams, Cordelia Heß

Mel Gibsons Bible Religion Popular Culture And The Passion Of The:

Mel Gibson's Bible Timothy K. Beal, Tod Linafelt, 2006 Biblical scholars Timothy K Beal and Tod Linafelt along with an esteemed group of contributors offer a provocative range of views on The Passion of the Christ The book is organized in three parts The first analyzes the film in terms of its religious foundations including the Gospels and nonbiblical religious texts The second group of essays focuses on the ethical and theological implications of the film s presentation of the Christian Gospel Finally the third section explores the film as a pop cultural phenomenon The Bible and Popular Culture Ole Jakob

Løland, Anders Martinsen, 2025-07-08 This book is an accessible overview of the Bible s complex and evolving reception in popular culture Drawing on biblical interpretations in TV film and music it demonstrates the enduring diversity of the Bible s reception history Ranging from Genesis and Exodus of the Hebrew Bible to the Gospels and Revelation of the New Testament its biblical chronology takes a book by book format that locates and examines various examples of how these texts have been read received and interpreted Case studies include The Handmaid s Tale Exodus Gods and Kings The Da Vinci Code and Family Guy Woven within these chapters is fresh analysis of how themes of parody satire sex and conspiracy appear in these biblical interpretations This book is an engaging resource for students encountering biblical reception history in popular culture for the first time and it will also be of wider interest to those intrigued by the interplay between religion culture and media

A Critical Companion to Mel Gibson Adam Barkman, Antonio Sanna, 2024-02-02 The twelve essays in A Critical Companion to Mel Gibson offer various interpretations of Mel Gibson s work treating this prolific but controversial figure not only as a filmmaker but as a historian religious thinker and social philosopher From The Man Without a Face and Braveheart to The Passion of the Christ Apocalypto and Hacksaw Ridge this interdisciplinary collection mines Gibson s life and oeuvre for insight into existential problems Aristotelian virtues the politics of film interreligious dialogue adaptation issues and much more

Bible in/and Popular Culture Philip Culbertson, Elaine M. Wainwright, 2010-10-10 In popular culture the Bible is generally associated with films The Passion of the Christ The Ten Commandments Jesus of Montreal and many others Less attention has been given to the relationship between the Bible and other popular media such as hip hop reggae rock and country and western music popular and graphic novels animated television series and apocalyptic fantasy This collection of essays explores a range of media and the way the Bible features in them applying various hermeneutical approaches engaging with critical theory and providing conceptual resources and examples of how the Bible reads popular culture and how popular culture reads the Bible This useful resource will be of interest for both biblical and cultural studies The contributors are Elaine M Wainwright Michael Gilmour Mark McEntire Dan W Clanton Jr Philip Culbertson Jim Perkinson Noel Leo Erskine Tex Sample Roland Boer Terry Ray Clark Steve Taylor Tina Pippin Laura Copier Jaap Kooijman Caroline Vander Stichele and Erin Runions

Ecce Homo Kent Brintnall, 2011 Drawing on perspectives from a range of disciplines including religious studies gender and queer studies psychoanalysis art history and film theory *Ecce Homo* explores the

complex ambiguous meanings of the enduring figure of the male body in pain **Ecce Homo** Kent L. Brintnall, 2024-05-31
 Images of suffering male bodies permeate Western culture from Francis Bacon's paintings and Robert Mapplethorpe's photographs to the battered heroes of action movies Drawing on perspectives from a range of disciplines including religious studies gender and queer studies psychoanalysis art history and film theory *Ecce Homo* explores the complex ambiguous meanings of the enduring figure of the male body in pain Acknowledging that representations of men confronting violence and pain can reinforce ideas of manly tenacity Kent L Brintnall also argues that they reveal the vulnerability of men's bodies and open them up to eroticization Locating the roots of our cultural fascination with male pain in the crucifixion he analyzes the way narratives of Christ's death and resurrection both support and subvert cultural fantasies of masculine power and privilege Through stimulating readings of works by Georges Bataille Kaja Silverman and more Brintnall delineates the redemptive power of representations of male suffering and violence *Sensational Devotion* Jill Stevenson, 2013-04-15
 In *Sensational Devotion* Jill Stevenson examines a range of evangelical performances including contemporary Passion plays biblical theme parks Holy Land re-creations creationist museums and megachurches to understand how they serve their evangelical audiences while shaping larger cultural and national dialogues Such performative media support specific theologies and core beliefs by creating sensual live experiences for believers but the accessible familiar forms they take and the pop culture motifs they employ also attract nonbelievers willing to try out these genres even if only for curiosity's sake This familiarity not only helps these performances achieve their goals but it also enables them to contribute to public dialogue about the role of religious faith in America Stevenson shows how these genres are significant and influential cultural products that utilize sophisticated tactics in order to reach large audiences comprised of firm believers extreme skeptics and those in between Using historical research coupled with personal visits to these various venues the author not only critically examines these spaces and events within their specific religious cultural and national contexts but also places them within a longer devotional tradition in order to suggest how they cultivate religious belief by generating vivid sensual affectively oriented and individualized experiences **Reframing Theology and Film** Robert K. Johnston, 2007-11
 Identifies and explicates the areas that are currently being overlooked or undervalued in the current discussions of theology and film Lacan in Public Christian Lundberg, 2012-11-26
Lacan in Public argues that Lacan's contributions to the theory of rhetoric are substantial and revolutionary and that rhetoric is in fact the central concern of Lacan's entire body of work Scholars typically cite Jacques Lacan as a thinker primarily concerned with issues of desire affect politics and pleasure And though Lacan explicitly contends with some of the pivotal thinkers in the field of rhetoric rhetoricians have been hesitant to embrace the French thinker both because his writing is difficult and because Lacan's conception of rhetoric runs counter to the American traditions of rhetoric in composition and communication studies Lacan's conception of rhetoric Christian Lundberg argues in Lacan in Public upsets and extends the received wisdom of American rhetorical studies that rhetoric is a

science rather than an art that rhetoric is predicated not on the reciprocal exchange of meanings but rather on the impossibility of such an exchange and that rhetoric never achieves a correspondence with the real world circumstances it attempts to describe As Lundberg shows Lacan s work speaks directly to conversations at the center of current rhetorical scholarship including debates regarding the nature of the public and public discourses the materiality of rhetoric and agency and the contours of a theory of persuasion **The Medieval Roots of Antisemitism** Jonathan Adams,Cordelia

Heß,2018-01-31 This book presents a fresh approach to the question of the historical continuities and discontinuities of Jew hatred juxtaposing chapters dealing with the same phenomenon one in the pre modern one in the modern period How do the circumstances of interreligious violence differ in pre Reformation Europe the modern Muslim world and the modern Western world In addition to the diachronic comparison most chapters deal with the significance of religion for the formation of anti Jewish stereotypes The direct dialogue of small scale studies bridging the chronological gap brings out important nuances anti Zionist texts appropriating medieval ritual murder accusations modern day pogroms triggered by contemporary events but fuelled by medieval prejudices and contemporary stickers drawing upon long inherited knowledge about what a Jew looks like These interconnections however differ from the often assumed straightforward continuities between medieval and modern anti Jewish hatred The book brings together many of the most distinguished scholars of this field creating a unique dialogue between historical periods and academic disciplines Catholics in the Movies Colleen McDannell,2007-12-24

Catholicism was all over movie screens in 2004 Mel Gibson s The Passion of the Christ was at the center of a media firestorm for months A priest was a crucial character in the Academy Award winning Million Dollar Baby Everyone it seemed was talking about how religious stories should be represented marketed and received Catholic characters spaces and rituals have been stock features in popular films since the silent era An intensely visual religion with a well defined ritual and authority system Catholicism lends itself to the drama and pageantry of film Moviegoers watch as Catholic visionaries interact with the supernatural priests counsel their flocks reformers fight for social justice and bishops wield authoritarian power Rather than being marginal to American popular culture Catholic people places and rituals are all central to the world of the movie Catholics in the Movies begins with an introductory essay that orients readers to the ways that films appear in culture and describes the broad trends that can be seen in the movies hundred year history of representing Catholics Each chapter is written by a noted scholar of American religion who concentrates on one movie engaging important historical artistic and religious issues Each then places the film within American cultural and social history discusses the film as an expression of Catholic concerns of the period and relates the film to others of its genre Tracing the story of American Catholic history through popular films Catholics in the Movies should be a valuable resource for anyone interested in American Catholicism and religion and film *Everyday Ethics* Michael Lamb,Brian A. Williams,2019-10-01 What might we learn if the study of ethics focused less on hard cases and more on the practices of everyday life In Everyday Ethics Michael Lamb and Brian

Williams gather some of the world's leading scholars and practitioners of moral theology including some GUP authors to explore that question in dialogue with anthropology and the social sciences. Inspired by the work of Michael Banner, these scholars cross disciplinary boundaries to analyze the ethics of ordinary practices from eating, learning, and loving thy neighbor to borrowing and spending using technology and working in a flexible economy. Along the way, they consider the moral and methodological questions that emerge from this interdisciplinary dialogue and assess the implications for the future of moral theology.

Bible and Cinema Adele Reinhartz, 2022-03-30 *Bible and Cinema: An Introduction* is a comprehensive examination of how the Bible has been used and represented in mainstream cinema to develop its plots, characters, and themes. The book considers two general types of films: Bible movies that retell biblical stories such as the Exodus and the life of Jesus, and Bible-related movies that make use of biblical books, stories, verses, and figures and Bibles themselves to tell non-biblical, often fictional, narratives. Topics covered include the contribution of Bible and Bible-related movies to the history of the Bible's reception, the ways in which filmmakers make use of scripture to address and reflect their own time and place, the Bible as a vehicle through which films can address social and political issues, reflect human experiences and emotions, explore existential issues such as evil and death, and express themes such as destruction and redemption, the role of the Bible as a source of ethics and morality, and how this role is both perpetuated and undermined in a range of contemporary Hollywood films, and film as a medium for experiences of transcendence and the role of the Bible in creating such experiences. This thoroughly updated second edition includes insightful analysis of films such as *Noah*, *Gods and Men*, *Mary Magdalene*, and *The Shawshank Redemption*, paying attention to visual and aural elements as well as plot, character, and dialogue. The book also includes pedagogical resources including discussions of film theory as well as key words and discussion questions. Teachers, students, and anyone interested in the intersection of Bible and cinema will find this an invaluable guide to a growing field.

Key Works in Critical Pedagogy Kecia Hayes, Shirley R. Steinberg, Kenneth Tobin, 2011-11-22 *Key Works in Critical Pedagogy* Joe L. Kincheloe comprises sixteen papers written within a twenty-year period in which Kincheloe inspired legions of educators with his incisive analyses of education. Kincheloe was a prolific thinker and writer who produced an enormous number of books and chapters and journal articles. In a career cut short by his untimely death, Kincheloe led the way with an approach to research and pedagogy that incorporated multiperspectival approaches that examined a wide range of topics including schooling, cultural studies, research, bricolage, kinderculture, Christotainment, and capitalism. In these works, Kincheloe used accessible, elegantly produced language to capture his emotional yet scholarly ways of engaging with the world. He was a champion of the disenfranchised, and his writing consistently examined social life from the perspective of participants who were often treated harshly because of their marginalization. The articles in this book were selected to encompass Kincheloe's impressive scholarly career and to draw attention to the necessity for educators to take a critical stance with respect to the enactment of education to reproduce

disadvantage Among the theoretical frameworks included in the works are critical pedagogy research hermeneutics phenomenology cultural studies and post formal thought Key Works in Critical Pedagogy is a comprehensive introduction to the scholarly contributions of one of the foremost educational researchers of our time The selected chapters and associated scholarly review essays constitute a reference resource for researchers educators students of education and all of those with an interest in adopting a deeper view of ways in which policies and practices shape education and social life to produce privilege and disadvantage simultaneously in ways that are often hidden from view The critical perspective that permeates these works constitute ways of thinking and being in the world that others can adopt as a framework for analyzing their engagement in education as researchers teacher educators policymakers students parents of students and members of the community at large Responding to each of Kincheloe's chapters is a scholar teacher who is intimately familiar with the works theories and epistemologies of this unique scholar

The Bible and Lay People Andrew Village, 2016-03-23 There are many books about how people ought to interpret the Bible This book is about how people in churches actually interpret the Bible and why they interpret it in the way that they do Based on a study of Anglicans in the Church of England it explores the interaction of belief personality experience and context and sheds new light on the way that texts interact with readers The author shows how the results of such study can begin to shape an empirically based theology of scripture This unique study approaches reader centred criticism and the theology of scripture from a completely new angle and will be of interest to both scholars and those who use the Bible in churches

Recollections and Reconsiderations Margaret R. Miles, 2018-12-18 Several years before his death Augustine of Hippo reviewed his published works commenting on his purpose in writing each and correcting from his present perspective the mistakes he noticed Inspired by Augustine's *Retractationes* Miles's *Recollections and Reconsiderations* undertakes a similar project a critical review of almost fifty years of her publications Rereading and rethinking in chronological order effectively bonds life and thought into a corpus a body of work with consistent values and interests Such a review would be an illuminating project for any longtime scholar student both rewarding and humbling an exercise in self knowledge Informed by a lifetime of studying Christian traditions Miles concludes by describing both endemic problems with Christianity and what she sees is its essence and beauty

The Death of Judeo-Christianity Lawrence Swaim, 2012-07-16 The Israeli Palestinian conflict is not mainly about politics nor religion nor even geo politics It is about pathology The traumas of the 20th century have driven millions of intelligent capable people into active psychological pathologies which they experience as ideological realities Some of the cult like groups associated with Christian evangelicals and the national religious settlers in Israel will settle for nothing less than an apocalyptic religious war to punish the world for allowing the Holocaust to happen

Religion in America Timothy Beal, 2008-07-29 It's hard to think of a single aspect of American culture past or present in which religion has not played a major role The roles religion plays moreover become more bewilderingly complex and diverse every day For all those who want whether out of curiosity

necessity or civic duty a vivid picture and fuller understanding of the current reality of religion in America this Very Short Introduction is the go to book they need Timothy Beal describes many aspects of religion in contemporary America that are typically ignored in other books on the subject including religion in popular culture and counter cultural groups the growing phenomenon of hybrid religious identities both individual and collective the expanding numbers of new religious movements or NRMs in America and interesting examples of outsider religion such as Paradise Gardens in Georgia and the People Love People House of God in Ohio He also offers an engaging overview of the history of religion in America from Native American traditions to the present day Beal sees three major forces shaping the present and future of religion in America first unprecedented religious diversity which will continue to grow in the decades to come second the information revolution and the emergence of a new network society and third the rise of consumer culture Taken together these forces offer the potential to create a new American pluralism that would enrich society in unimaginable ways but they also threaten the great ideal of e pluribus unum With visual aids that help readers navigate America s diverse religious landscape this informative thoughtful and provocative book is a must read in the emerging public conversation concerning religion in America About the Series Combining authority with wit accessibility and style Very Short Introductions offer an introduction to some of life s most interesting topics Written by experts for the newcomer they demonstrate the finest contemporary thinking about the central problems and issues in hundreds of key topics from philosophy to Freud quantum theory to Islam

The Politics of Big Fantasy John C. McDowell, 2014-06-04 Bringing critical attention to a particular set of science fiction and fantasy films Larry and Andy Wachowski s The Matrix George Lucas Star Wars saga and Joss Whedon s Avengers this book utilizes a wide ranging set of critical tools to illuminate their political ideologies while also examining any resistant and complicating turns or byways the films may provide What they all have in common ideologically is that they or at least the genres they belong to tend to be regarded as belonging to politically conservative frames of sociocultural reference With the Star Wars saga however this idea is shown to be superficial and weak

Esther in Diaspora Tsauryi Kudakwashe Mapfeka, 2019-06-17 In *Esther in Diaspora* Tsauryi Kudakwashe Mapfeka presents a new approach to the book of Esther in the Hebrew Bible He argues that whereas previous interpretations have emphasised an association with the Jewish festival of Purim a theory nuanced concept of diaspora offers the key for reading Esther Alongside the relatively new approach of Diaspora Studies the author makes use of the more traditional analogical reasoning seeing parallels between the community behind Esther and the Zimbabwean diaspora community in the United Kingdom of which he is a member The two fold methodological application results in an innovative and stimulating reading of the book Overall the book reflects a deep awareness not only of issues surrounding Esther but of the broader fields of the study of the Bible and of the ancient Near East
