**The Exegetical Texts** Jonathan Goodson Campbell, 2004-01-01 Jonathan G Campbell provides an introduction to eight sectarian manuscripts from among the Qumran Dead Sea Scrolls that can loosely be called the Exegetical Texts. He examines their contents, background, genre, and significance, and he provides a history of the relevant research. The Exegetical Texts constitute a particularly diverse strand of sectarian compositions among the Qumran Dead Sea Scrolls. For this reason, the eight documents are treated in turn in more or less equal measure, with two introductory chapters to set the scene and a conclusion drawing the discussion to a close. Each chapter can be read either alone in its own right or together with the others to gain a broader picture. In order to encourage the reader to encounter the relevant Qumran documents firsthand, extensive listings of editions in Hebrew and English are provided. The contributors to the Companion to the Qumran Scrolls series take account of a wide range of relevant and recently published texts and provide extensive bibliographies. The books in the series are authoritatively written in accessible language and are ideal for students and non-specialist scholars.

**Companion to the Qumran Scrolls volume 4      The Hebrew Bible and Its Interpreters** William Henry Propp, Baruch Halpern, David Noel Freedman, 1990 Chronology in Israelite historiography Baruch Halpern The Bible in the university James L Kugel Sectually explicit literature from Qumran Carol A Newsom Eden sketches William H Propp People and high priesthood in early Maccabean times James C VanderKam      **Hebrews (Paideia: Commentaries on the New Testament)**

James W. Thompson, 2008-12-01 Hebrews the second of eighteen volumes in the Paideia commentary series brings the insight of a veteran teacher and writer to bear on a New Testament book whose rich imagery and memorable phrases have long shaped Christian discourse. The Paideia series approaches each text in its final canonical form, proceeding by sense units rather than word by word or verse by verse. Each sense unit is explored in three sections: 1. introductory matters, 2. tracing the train of thought, 3. key hermeneutical and theological questions. The commentaries shed fresh light on the text while avoiding idiosyncratic readings, attend to theological meaning without presuming a specific theological stance in the reader, and show how the text uses narrative and rhetorical strategies from the ancient educational context to form and shape the reader.

**The Proskynesis of Jesus in the New Testament** Ray M. Lozano, 2019-10-17 This book investigates the use of the Greek term *proskuneo* with Jesus as the object in the New Testament writings. Ray M. Lozano unpicks this interesting term and examines its capacity to express various degrees of reverence directed toward a superior, from a respectful greeting of an elder to homage paid to a king to cultic worship paid to a god. Lozano then looks at the term in reference to Jesus in the New Testament writings and carefully considers whether Jesus is portrayed as receiving such reverence in a relatively weak sense as a merely human figure or in a relatively strong sense as a divine figure. Lozano highlights how scholars are divided over this issue and provides a fresh, thorough examination of the New Testament material: Mark, Matthew, Luke, Acts, John, Hebrews, and Revelation, and in so doing shows that each of these New Testament writings in their own unique ways presents Jesus as

a divine figure uniquely and closely linked to the God of Israel in making him an object of proskuneo      **The Social Role of Liturgy in the Religion of the Qumran Community** Russell Arnold,2018-11-01 This volume investigates the layers of meaning of the Qumran community's liturgical practice as prayer communication with the divine ritual actions that establish and reinforce the social and ideological structures of the community and speech containing both verbal and non verbal communication Jacket      Letters and Homilies for Jewish Christians Ben Witherington III,2010-04-09 In this commentary on Hebrews James and Jude Ben Witherington III applies his socio rhetorical method to elucidate these letters within their primarily Jewish context probing the social setting of the readers and the rhetorical strategies of the authors of the letters

**Holman QuickSource Guide to the Dead Sea Scrolls** Craig A. Evans,2010-02-01 Book seven in a greatly successful visually driven yet content rich reference series the Holman QuickSource Guide to the Dead Sea Scrolls gives the reader a strong overview and understanding of the Dead Sea Scrolls and their importance for Christianity as outlined by esteemed professor and author Craig A Evans Topics covered will include the discovery of the Dead Sea Scrolls notes on the Dead Sea region the contents and dates of the Scrolls who wrote and gathered them first and second generation scholars of the Scrolls and more      Brothers Estranged Adiel Schremer,2010-01-20 The emergence of formative Judaism has traditionally been examined in light of a theological preoccupation with the two competing religious movements Christianity and Judaism in the first centuries of the Common Era In this book Ariel Schremer attempts to shift the scholarly consensus away from this paradigm instead privileging the rabbinic attitude toward Rome the destroyer of the temple in 70 C E over their concern with the nascent Christian movement The palpable rabbinic political enmity toward Rome says Schremer was determinative in the emerging construction of Jewish self identity He asserts that the category of heresy took on a new urgency in the wake of the trauma of the Temple's destruction which demanded the construction of a new self identity Relying on the late 20th century scholarly depiction of the slow and measured growth of Christianity in the empire up until and even after Constantine's conversion Schremer minimizes the extent to which the rabbis paid attention to the Christian presence He goes on however to pinpoint the parting of the ways between the rabbis and the Christians in the first third of the second century when Christians were finally assigned to the category of heretics      **Angels** Andy Angel,2012-06-01 If you think you know all about angels think again Although the modern Western world claims to have left angels behind as mythical creatures they are back in popular culture And much of what people are thinking exploring and believing about them finds its roots in ancient Jewish and Christian beliefs Andrew Angel opens up the surprising world of angels to interested enquirers through an examination of the ancient Jewish and Christian texts in which they are found He asks questions about what angels have to do with religious ecstasy surviving suffering and politics among other things finding surprising and sometimes controversial answers Informed by the latest scholarship yet accessible to all this book provides a well researched and thought provoking introduction to angels      A Prophet Mighty in Deed and Word Jeff S. Kennedy,2024-08-06 Did Jesus the

revolutionary figure who changed the world struggle to read a scroll A growing number of scholars think so Luke's account of Jesus reading in the synagogue Luke 4 16 30 is routinely challenged today in academia The claim is that Luke either fabricated the account outright or relied upon a mistaken social memory of Jesus reading in the synagogue Accordingly Jesus has been recast as an illiterate peasant or semi literate artisan unable to read and teach the way Luke portrays In A Prophet Mighty in Deed and Word Jeff Kennedy offers a fresh perspective He contends that Luke's reading Jesus wasn't an attempt to appeal to the cultured sensibilities of his Greek audience who preferred literate philosophers over illiterate carpenters Instead it reflects Jesus self understanding as Israel's prophet sage anointed to read and proclaim the year of Yahweh's favor Jesus announces a shocking and provocative message for unbelieving Israel and he does so with a singular authority This incident sparks escalating tensions between Jesus and his countrymen resulting in Christ's glorification through suffering And Luke tells us that suffering began in Jesus hometown of Nazareth

**Joshua Traditions and the Argument of Hebrews 3 and 4** Bryan J. Whitfield, 2013-06-26 This monograph examines the place of chapters 3 and 4 in the larger argument of Hebrews particularly the relationship of the people of God in Heb 3 7 4 13 to the surrounding discussion of the high priest The connection between the great high priest and the people of God proved a central question for twentieth century scholars including Ernst K Semann The first chapter of this work examines previous attempts to explain the flow of the argument and revisits the proposal of J Rendel Harris who thought attention to the two Joshuas of the Hebrew Bible was the key to connecting Heb 3 7 4 13 to its frame The second chapter examines reading practices within Second Temple Judaism that shaped those of the author of Hebrews Two subsequent chapters explore the history of Second Temple interpretation of the texts central to Harris's proposal Numbers 13 14 and Zechariah 3 The Levi priestly tradition receives particular attention The following chapter provides a careful study of the early chapters of Hebrews that explores allusions and echoes to Numbers and to Zechariah The monograph concludes with a positive assessment of much of Harris's proposal

**Understanding the Dead Sea Scrolls** Hershel Shanks, 1993 Articles by leading scholars discuss the discovery of the Dead Sea scrolls their significance for understanding early Christianity and rabbinic Judaism and the recent controversy regarding access to the scrolls

**The King-Priest of Psalm 110 in Hebrews** David R. Anderson, 2001 The Kingdom of David has been the focus of disagreement among Biblical interpreters practically since the ascension of Christ Since Christ was enthroned at the right hand of God the Father when he ascended many believe he began ruling from that throne at that time But is this kingdom over which he rules the Davidic kingdom Reformed scholars say yes dispensational scholars say no A new breed of dispensational scholars say yes and no These Progressive Dispensationalists say Jesus has inaugurated the Kingdom of David but will return to the earth to consummate this kingdom with a millennial reign from Jerusalem Are they right This book uses Psalm 110 in the Old and New Testaments to find an answer
